Date - 11/10/2017

REVISED REQUIREMENT OF MINIMUM S&TW COURSE FOR PH.D. STUDENTS

The Senate, vide Resolution No. 2016-59-Senate-13 had decided that a Ph.D. student will not be required to register for S&TW Courses after completing 8 semesters of registration with at least 'C' grade in each semester.

However, there are two categories of students enrolling for Ph.D. Program, viz. after M. Tech. and after B.Tech./M.Sc.

Accordingly, the Senate vide Resolution No. 2016-72-Senate-14 approved the following modification with retrospective effect:-

"A Ph.D. student after M.Tech. and B.Tech/M.Sc. will require to register and pass with minimum 'C' grade in at least 6 and 8 semesters, respectively."

The Senate further advised that the S&TW portal be modified as per the new practice and that M. Tech. thesis will not be uploaded in the public portal.

REGISTRAR

Copy to:

- 1) All faculty by Group-mail
- 2) All Ph. D students by Group-mail
