Sub: Distinguished Alumnus Award for 2016

Dear Alumnus/ Colleague,

The Alumni constitute an important pillar of an institute of higher learning. It is through them that an institute reaches out to the public. They serve as brand ambassadors who carry forward and propagate spread the message of their alma mater. Alumni of NIT Rourkela have excelled in almost every walk of life—industry, academia, research, social and public life. The Institute appreciates the glory they have brought to their alma mater. To recognize the alumni's achievement and contribution to the society, the Board of Governors; vide its Resolution No BOG-22(2009)-18 dated September 18, 2009 has instituted the "Distinguished Alumnus Award". This prestigious award is being presented during the convocation ceremony every year. In convocation, we expect selected distinguished alumni to receive the award in person from the Chief Guest.
