NOTICE FOR BRANCH CHANGE OF B.TECH STUDENTS

[ALL CONCERNED ARE REQUESTED TO READ THE INSTRUCTIONS CAREFULLY AND COMPLETELY]

Meritorious B.Tech students who have secured CGPA of 8.5 or more (without any backlog) at the end of first year are eligible to opt for change of branch, of their choice, subject to following conditions:

- Change of branch is subject to availability of vacant seats and subject to the condition that the consequent vacancy created in the parent department, due to branch change, should not be more than 5% of actual existing strength.
- 5% of vacancy is to be calculated based on existing strength. Decimal figures to be rounded up to the nearest integer (E.g. 1.5 = 2 and 1.49 = 1).
- **There is no option to revert the change of branch once allotted.**
- The branch change will be strictly based on CGPA only and no other criterion will be adopted.
- In case of a tie in CGPA for allotting Branch Change, the JEE Main rank (CRL) will be considered.

The students have to exercise their choice in the NITRIS portal under **Student Information System -> Branch Change**.

The online portal will open from **18-07-2018 till 20-07-2018**. Interested and eligible students may apply within the dates.

The branch change results will be published on 21-07-2018.
