

School-level Exhibition

“**Innovation Carnival**” event for two days will be organized on 10th and 11th November, 2018 in the premises of NIT Rourkela. Innovators, Eminent Personalities, Start-ups, **Students from School and Technical Institutes**, Research Scholars, Representatives from supporting agencies, Industries, Quality Circles etc. from various parts of country will be attending the event.

The bespoke event will comprise of **Innovative Exhibition Challenge**, Startup Hunt, Inspirational Talks with Experts and Professionals and Panel discussions, Session on IPR and Workshops by Startup India, opportunities for idea pitching and business development, mentoring & networking, social innovation exhibition, food innovation events, fun events and cultural nights etc.

The participants will get the opportunity to showcase their game-changing innovations and creative solutions that impact lives, businesses and the society. They will also get to interact with the few of the best minds in the industry and understand how they can apply emerging technologies to improve the way the world works and lives.

The Winner Takeaways for the **Innovative Exhibition Challenge** will be:

- The winning teams from schools will be awarded with Award Money, Trophies and Certificate of Excellence.
- The participating teams will be presented exciting gifts and Participation Certificates.
- The school with most and best innovative ideas will be awarded with the Trophy and Certificate of Excellence.

We encourage you (8th standard onwards school-students) for participation in **Innovative Exhibition Challenge** to enhance the innovation ecosystem for creating technology based solutions for tomorrow.

Please note the accommodation for students and teachers will be provided on request. Maximum team size is three
