

NITROAA / Bhubanananda Rath Memorial Scholarship

By Ranganath Misra (1975) and Suchismita Misra

Established December 2020

Mr. Bhubanananda Rath (March 1st 1934- December 24th 2011)

Our loving father came from humble beginnings in Cuttack. He graduated from IIT Kharagpur with honors in Electrical Engineering. He started his career in Rourkela Steel Plant and later became the General Manager of NALCO Captive Power Plant. He was the First Oriya to become the Chairman & Managing Director of Rashtriya Ispat Nigam Limited, Vizag Steel. His contribution to the steel and aluminum sectors brought him many accolades. He was a doting husband to Sanjukta Rath, and a loving father to his three daughters, Suchismita, Madhumita and Debasmita. This scholarship is setup to provide full tuition to a needy student in memory of our dear father.
