Kanchan Misra (1919-2019) hailed from a small village, called Gangapur Sason in Ganjam district. She married to Late Sri Dasarathi Misra and together they raised 12 children, 4 sons and 8 daughters. She learned to read and memorize Oriya stories, poems and Puranas. She had an impeccable memory and dedicated her life raising her family in Gangapur. She lived a very simple life. We were lucky to have her with us twice in USA. She left us in Jan, 2019 and we miss her very much.
