

NITROAA / Shrimati Nirmala Gupta Memorial Scholarship

By Praveer Kumar (1996) Samir Kumar (1993) and Family

Established November 2020

Nirmala Gupta, our beloved mother left for her heavenly abode in October 2019. Commemorating her memory, we are establishing this scholarship to celebrate her lifelong devotion towards spirituality, education and charity.

She was the rock in our family who happily sacrificed everything to ensure that her children were provided every opportunity to succeed and thrive in their lives.

We hope that the recipient of this scholarship is able to succeed in life and carry it forward for Smt. Nirmala Gupta always believed that 'we can't help everyone, but everyone can help someone'.
