

A. Silver Jubilee Celebration for the Batch of 1995

On 16th December 2022, The Class of 1995 , NIT Rourkela conducted their two-day reunion - "Jashn". It was graced by the Dean of Alumni relations and resource generation, Prof. Kishanjit Kumar Khatua, Mr FC Mohanty, an alumnus from the 1971 batch of Chemical engineering, currently the managing director at Poly Refractories Pvt. ltd. and Prof Himanshu Sahoo from Mining department, the convenor of the event. A total of 106 alumni attended the event. On the first day, the alum went on a campus tour, reminiscing their hostel days followed by a plantation ceremony. On 17th December, the event commenced at the BBA Auditorium, followed by a felicitation ceremony for the alumni. Meanwhile, the Director of NIT Rourkela, Prof. K. Umamaheshwar Rao conveyed his message to the alum over a video message, congratulating them on their successful years of life and stating the importance of alumni relations. At the end of the Event, alum talked about the corpus fund and their vision for NIT'R in upcoming years. Alumni stated their vision for green institute revolutions and sustainable development with the propaganda named "WASTE OF ENERGY". Many alumni contributed to the corpus fund, followed by a plantation project 'Tree of Heaven'.

The following are the commitments/contributions made by this Batch of Alumni:

- a. Setting up a plant(Waste to Energy Conversion), where the food waste from all the hostels will be collected and converted to gas to run the kitchen mess of one of the bigger halls.
- b. Setting up a Tree of Heaven where a fruit garden is to be plant inside the campus. Saplings were planted on 16.12.2022 to commemorate or memorize their Silver Jubilee.
