

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

Tender No.: NITR/SR-CH/FIST/2022/L/007 dt.07.07.2022

Index for Invitation for Tender (e-Procurement mode only)

The Institute invites <u>Two Cover Tenders</u> for the following items through the e-Procurement System of National Informatics Centre, which enables the Tenderers to download the Tender Schedule and then submit the bids online through Central Public Procurement Portal of Government of India (https://eprocure.gov.in/eprocure/app.) The detailed specifications, terms and conditions are given in the below Annexures. The complete Bid document may be downloaded from CPPP and NIT RKL website. Physical bids will not be accepted

S. No.	Description [with Technical Specifications in detail as Annexure TS]	
1)	ANALYTICAL INDUCTIVELY COUPLED PLASMA- OPTICAL EMISSION SPECTROMETER [ICP-OES] [Detailed Technical Specifications in Annexure TS]	01No(s).

Annexures enclosed: Bidders should follow the entire Bid document and the attached Annexures before submission of bids.

1)	Annexure ST	Schedule of Tender
2)	Annexure TS	Technical Specifications
3)	Annexure 01	Instructions To Bidder for Online Bid Submission
4)	Annexure 02	General Conditions of Contract (GCC)
5)	Annexure 03	Special Conditions of Contract (SCC)
6)	Annexure 04	Tender Acceptance Letter
7)	Annexure 05	Declaration Performa
8)	Annexure 06	Check List for Bid Submission
9)	Annexure 07	Bid Security Declaration
10)	Annexure 08	Model Format for PBG
11)	Annexure 09	Mandate form for Electronic Fund Transfer
12)	Annexure 10	Checklist for Bidders' Eligibility
13)	Annexure 11	Checklist for Compliance on Technical specification

- 1) All the correspondence in this regard should be done in favor of Asst. Registrar (SRICCE), NIT Rourkela referring the tender reference number in the above mentioned email / address.
- 2) Complete Bidding document is available in Government of India's E-tender website. The bids should be submitted through the same website (https://eprocure.gov.in/eprocure/app). All amendments, time extension, clarifications etc. will be uploaded in the CPPP website and www.nitrkl.ac.in and it will not be published in newspapers.
- Bidders should regularly visit the above websites to keep themselves updated.
- 4) Bidder may note that Bid shall be submitted in full compliance to the requirements of Bidding Document, failing which bid shall be considered as nonresponsive and may be liable for rejection.
- 5) Failure to upload the Tender acceptance letter in the enclosed format will lead to rejection of bids.
- 6) The Director of NIT Rourkela reserves the right to reject any or all the bids, or cancel the tender, without assigning any reason and the decision of the Director, NIT Rourkela shall be final and binding.

Schedule of Tender Invitation for Tender (e-Procurement mode only)

1)	Tender No.	NITR/SR-CH/FIST/2022/L/007	
2)	Tender Date	07.07.2022	
3)	Tender Type	Open	
4)	Tender Category	Goods	
5)	Form of Contract	Supply	
6)	Work / Item Description	ANALYTICAL INDUCTIVELY COUPLED PLASMA-	
	(exactly as per the Sanction Order)	OPTICAL EMISSION SPECTROMETER [ICP-OES]	
7)	Quantity Required	1 No(s).	
8)	Number of covers (1 / 2 / 3 / 4)	2 (Technical and Financial)	
9)	Date of Issue / Publishing	07.07.2022	
10)	Document Download / Sale Start Date	07.07.2022	
11)	Document Download / Sale End Date	28.07.2022 [06.00 P.M]	
12)	Last date and time for receipt of queries	NA	
13)	Date of issuing Corrigendum, if any	NA	
14)	Last Date & Time for Uploading of Bids	28.07.2022 [06.00 P.M]	
15)	Technical Bid Opening Date & Time	01.08.2022 [09.00 A.M]	
16)	Financial Bid Opening Date & Time	Will be intimated later.	
17)	Tender Fee (INR)	Tender cost (Non-refundable) of INR 500/- (Rupees Five	
10)	EMD / Bid Security Amount (INR)	Hundred only) using the below options. ➤ Fund transfer (NEFT / RTGS / IMPS) to A/c. No: '10138951717' & IFS Code: SBIN0002109 on or before 28/07/2022 at 06:00 PM. Transaction reference / UTR number to be mentioned in Annexure-4 (Tender Acceptance Later). ➤ Demand Draft in favor of "SRICCE FUND, NIT Rourkela" payable at Rourkela from any Scheduled Commercial Bank except Co-operative & Gramin bank. Tender Fee [if DD made] should reach physically through speed post / register post / courier in an envelope & superscribed with subject, "Tender Reference Number" addressing to Asst. Registrar (SR), SRICCE Office, NIT Rourkela-769008, Odisha; on or before 28/07/2022 at 06:00 PM EMD of INR 1,94,000/- (Rupees One Lakh Ninety-Four	
	LIND 7 BIG Geounty 7 timount (ii vit)	Thousand only) using the below options: Fund transfer (NEFT / RTGS / IMPS) to A/c. No: '10138951717' & IFS Code: SBIN0002109 on or before 28/07/2022 at 06:00 PM. Transaction reference / UTR number to be mentioned in Annexure-4 (Tender Acceptance Letter). Account Payee Demand Draft, Fixed Deposit Receipt, Banker's Cheque in favor of "SRICCE FUND, NIT Rourkela" payable at Rourkela from any Scheduled Commercial Bank except Co-operative & Gramin bank. The EMD cost should reach physically through speed post / register post / courier in an envelope & super scribed with subject, "Tender Reference Number-EMD" addressing to Asst. Registrar (SR), SRICCE Office, NIT Rourkela-769008, Odisha; on or before 28/07/2022 at 06:00 PM Note: The EMD (Earnest Money Deposit) of unsuccessful bidders will be returned to them at the earliest and latest on or before the 30th day after the award of the contract. EMD (Earnest Money deposit) amount of successful bidder will be returned after the receipt of performance security deposit in case of award of contract to	
19)	Performance Security Amount (INR)	successful bidder 3% of the Contract Value should be deposited to the Institute in shape of Account Payee Demand Draft (DD) / FDR / Bank Guarantee (as per Annexure 8 of Bid Document) in favor of	

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

		"SRICCE FUND, NIT Rourkela" and payable at Rourkela" from	
		any Scheduled Commercial Bank except Co-operative and	
		Gramin bank should remain valid for a period of 60 days beyond the date of completion of all contractual obligations of the	
		suppliers including warranty obligation. This bank guarantee	
		should be submitted with the commercial invoice / Tax Invoice.	
20)	Warranty	60 months from the date of installation of equipment.	
21)	Bid Validity period [Days]	120 days	
22)	Delivery Period [Days]	120 days	
23)	Payment Terms	The Institute undertakes to dispatch payment within 30 days of receipt of stores (in good condition) & successful installation / demo against a valid tax invoice

		Odisha 769 008	
		Tel. #: 0661 -246-2269	
		Email: chowdhury@nitrkl.ac.in	
28)	Tender Inviting Authority (TIA)	Registrar	
		National Institute of Technology Rourkela	
20)		Odisha 769 008	
29)	Purchase unit of TIA	Asst. Registrar (SR)	
		SRICCE Office	
		National Institute of Technology	
20)	Datailed Tachainel Cannifortions	Rourkela Odisha 769 008.	
30)	Detailed Technical Specifications	As stated in Annexure TS	

- Total Bid Price should be inclusive of all taxes, levies, transport, loading, unloading etc.
- Price to be quoted in applicable currency as per the Tender Document / BOQ.
- Prices quoted in other currencies will be summarily rejected for in-land supplies.
- Price to be quoted with concession on GST, if and where applicable.

Envelope Details for S. No. 7:

1 st Envelope / Cover (Technical Bid)			
S. No.	Contents	Format	
1)	Detailed brochures, data sheets, catalogues etc. supporting the compliance of specifications	PDF	
2)	Clientele list and details of Three (03) major installations in India	PDF	
3)	Any other document as mentioned in the specifications or essential as per bidder. (Annexure 4,5,6,7,9,10,11)	PDF	
4)	Copy of Tender Cost and Bid Security [EMD] payment receipt / BG details	PDF	
2 nd Envelope / Cover (Price Bid / BoQ)			
1)	Price bid / BoQ: Item-wise prices for the items mentioned in the Technical Bid in applicable BoQ format (clearly mentioning the breakup for Tax / Duty / other charges etc.)	Excel (.xls)	

NOTE:

- > If any of the above days happens to be a NIT RKL holiday, the next working day will be considered.
- ➤ Please note being an Institute under MoE, Govt. of India, the Institute will not entertain any type of advance payment for the equipment, AMC or any other services.
- > Failure to upload the Tender acceptance letter in the enclosed format will lead to rejection of bids.

Annexure TS

Detailed Technical Specifications:

SPECIFICATIONS FOR ANALYTICAL INDUCTIVELY COUPLED PLASMA- OPTICAL EMISSION SPECTROMETER [ICP-OES]

The specification details are given below in a tabular form:

Sl.	Components	Technical requirements
No. 1	General system specifications and optics	(i) Bench top design, true simultaneous and background correction which should include simultaneous measurements of all analyte wavelengths, internal standard and background ICP-OES system using solid-state detector technology, polychromator based optical system, and dual view spectrometer (axial and radial).
		(ii) The Instrument must have an Echelle based polychromator that utilizes Charge Injection Device detector (CID) or Charged Coupled Device Detector (CCD) or SCD. The entire optical system must be closed in a purged and thermo stated optical enclosure.
		(iii) The instrument must be able to perform determinations across the entire spectrum, both UV and Visible 167-850 nm or wider. The resolution of the system must be 0.006 nm or better at around 200 nm. The instrument shall get stabilized in less than 15 minutes from cold start (switch-off mode) and ready for analysis.
		(iv) Simultaneous echelle type grating & 265 mm effective focal length or better. The Echelle Grating should be with ruling density and should be more than 76 lines/mm or better.
		(v) The vertical/horizontal torch mounting should ensure high-matrix robustness, which can be enhanced with the sheath gas accessory, enabling the analysis of the most challenging samples.
		(vi) Minimum integration time: 5 seconds or lesser.
		(vii) RF Generator must be solid state Free Running with 40/27 MHz frequency with fast impedance matching for various matrices.
		(viii) The power output stability within 750-1600 Watts in 1-watt increments or better, adjustable and fully computer controlled for Radial, Axial and Dual view analysis. System should be capable of doing Radial, Axial and Dual view mode analysis in single run. System should analyze all the elements in a sample simultaneously. The power efficiency should be greater than 80% with <0.1% variation in output power stability.
		 (ix) Viewing of the plasma must be computer controlled. Plasma ignition and switch off shall be totally automatic and PC controlled. The system should have option of selecting any wavelength in any mode (axial/radial or both) as per user's discretion. (x) Vertical/horizontal torch design for analysis of most difficult, high-matrix
		samples without dilution.
		(xi) Shear gas or similar approach for removal of cool Tail Plasma.
		(xii) The Torch Assembly shall be demountable type with Alumina Injector or equivalent for corrosion resistance properties towards all acids.
		(xiii) Nebulizer shall be as cross flow design with Ryton Spray Chamber or

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

_	ROURKELA	
		equivalent for corrosion resistance during aqueous applications.
		(xiv) Provisions for all Safety interlocks for water flow, Argon pressure, shear gas flow, Plasma door, Plasma stability, etc. should be present as built-in.
		(xv) Peristaltic Pump: Integrated four-channel, computer-controlled pump with
		variable speeds from 0.2 to 7 mL/min or better in 0.1 mL/min increments or better.
		(xvi) Chiller (from renowned manufacturer) for RF Generator shall be supplied along with basic system.
		(xvii) Automated Hydride generation accessory must be quoted.
		(xviii) Autosampler with min 200 sample capacity should be quoted.
		(xix) Sample introduction kits: 01 kit each for (a) aqueous sample (b) high solids sample (c) semi-volatile organic sample (d) volatile organic sample (e) HF resistant sample.
		(xx) Standards for Ag, Al, B, Ba, Bi, Ca, Cd, Co, Cr, Cu, Fe, Ga, In, K, Li, Mg, Mn, Na, Ni, Pb, Sr, Tl, Zn, Hg, As, Mo, Se, P, S, Sn, V (aqueous and organic both) should be quoted.
2	Argon gos flow	(xxi) Micropipettes for sampling a wide range of sample volumes (1-100 μ L) must be quoted.
2	Argon gas-flow control	(i) There should be three independent gas flow control for Plasma, Auxiliary, and Nebulizer using system software. The TOTAL Argon gas flow consumption to operate ICP-OES instrument must be less than 15 L/min or better (including plasma, auxiliary and nebulizer). Argon gas flow must be operated via Mass Flow Controllers only.
		(ii) Nebulizer argon gas flow should be variable between 0 and 1.5 L/min in 0.01 L/min increments using built in Mass Flow Controller/s or better.
	Softwares	(iii) ICP-OES instrument should have capability to view/measure Plasma Radially, Axially and both in single method.
3		(i) The software should be based on Industry Standard MS-Windows Environment (Windows 7 or higher).
		(ii) The software shall be multi-tasking and multi-user and shall have the capability to report, analytical results, spectra on CRT and perform other functions.
		(iii) All standard conditions of various elements shall be built-in and one can select these conditions by entering elements involved.
		(iv) All the results and spectra should be stored on to the Hard Disk.
		(v) Various modes of analysis like Method, Element, Analyses Format, Text, Data Reprocessing, Report, Spectrum, Results, Analyst, Optimize, etc. to be built-in.
4	Indigenous	(vi) Measurements shall be made both in radial & axial directions for all the elements.
	Items & Warranty	(i) Suitable branded PC and branded LaserJet color Printer must be provided with the instrument. PC features should be: Monitor: 21 inches TFT, 16 GB RAM or better, 500 GB SSD storage, 1 TB Hard Disk, SATA (7200 rpm), Intel Core i7 processor (9 th Generation). Mouse, Bluetooth, WLAN card, USB and DVD ports, 1 GB dedicated graphics.
		(ii) Exhaust Hood (1 no) of proportional dimension should be quoted.
		(iii) UHP grade Argon gas cylinder (5 nos.) with double stage SS regulator (1 no),

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

Nitrogen gas cylinder (4 nos.) with regulator (1 no each), and Oxygen cylinder (1 No.) with regulator. The purity of Argon gas should be 99.995% or better. For other gases the purity should be at least 99.99%.

(iv) 15 KVA online UPS with 30 min back-up must be quoted.

Other clauses

<u>Warranty:</u> Minimum 5 years warranty should be quoted on **instruments and indigenous items like PC, Printer & UPS**. Annual calibration for ≥ 3 years.

- (i) Vendor should be an authorized provider of sophisticated *ICP-OES* systems for past 5 years or more in India with a proven track record of the system in National and International level.
- (ii) The software must come with system suitability facility for method validation, system performance, reproducibility, tracking and plotting trends and Processing and reporting. Custom field / Custom calculations must be present.
- (iii) Pre-made templates, customizable data reports, online help and answer wizards must be included to help maximize lab's productivity.
- (iv) There instrument must be modular towards hardware to software and software to hardware for possible future upgradation deemed necessary for emerging applications.
- (v) It should be upgradable for automated method development Software.
- (vi) The Quoted Model must be upgradable/attached with different detectors in future without any upgradation on the rest of the system and software. The Vendors must declare in their Bid.
- (vii) Necessary reagents along with documents must be provided for valid Instrument Qualification, Operational & Performance Qualification of the instrument along with Specification check during the installation.
- (viii) A comprehensive list of users for similar models should be provided for previous 5 years from reputed Government of India organizations (Academia and R&D).
- (ix) Compatible with power requirements: 100 to 240 V AC with Line frequency 50 to 60 Hz.
- (x) All operating and safety manuals must be provided in English.
- (xi) Demonstration and Tutorial videos should be provided for different trials as ready reference.
- (xii) If the vendor is not an OEM, authorization certificate from the OEM should be provided. In that case, the vendor should have the dealing experience with the same OEM at least for six years.
- (xiii) Standard quality certifications such as ISO 9001 etc., should be complied.
- (xiv) More than Ten installations of similar or higher systems in India in past five years. Installation certificate and PO must be given.
- (xv) Five years or more service experience of same OEM, documents of at least five AMC/service should be provided.
- (xvi) The vendor must provide a compliance sheet with the technical specification and supporting documents.
- (xvii) Onsite-training: Basic Training for complete system free of cost post-installation and 6 months later based on the problem arises during operation.

5

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008 **Installation:** Installation of the instrument will be conducted by OEM/Supplier Application training: After completion of installation, demonstration and hands on training by service engineer, there should be application training for two days at NIT Rourkela by application specialist of the company. **Delivery:** Up to Dept. of Chemical Engineering, NIT Rourkela. *Valid DSIR registration certificate will be provided by institute.* **SAMPLE PREPARATION AUXILIARIES** For acid digestion of general sample types viz. water, waste water, industry 1 Microwave **Digestion** materials, fruits and vegetables, etc. and difficult to digest samples. The system must be well equipped to handle difficult materials like ores, coals, minerals, **System** alloys, high end ceramics, crude oil, refractories, etc. for further analysis using ICP-OES. The system must have the following features. (i) Microwave Power: Must have installed power of 2000 watts or more and power output of 1700 Watts or more with a single magnetron. (ii) Cavity volume: 1 Liter or less for highest field density. Cavity must be made of stainless steel with polystyrene housing material for resistance from acid fumes. (iii) Operation: The system must be equipped with a pressurized digestion cavity that can be pre-pressurized with N₂ or Ar from 30 to 70 bar or higher to prevent sample foaming or loss of volatile elements. (iv) System must be equipped with a temperature sensor inside of the cavity and protected with PTFE liner from corrosive acids and fumes. The system must be simultaneously able to control temperature of all vessels. (v) The system must be equipped with a built-in chiller with circulator for fast cooling of samples after completion of digestion run. External cooling devices like bulky water baths/chillers not acceptable for lower cost of operation and maintenance. (vi) System must have built-in control and touchscreen graphic display for all routine operations. External controls are not acceptable due to extra bench space

- required and possibility of damage to the controller during operation as the instrument will be installed in a wet chemistry lab.
- (vii) The system must have a possibility of automatically lifting the liner after completion of a digestion run. User need not manually remove the liner to prevent any possibility of chemical hazards in presence of hot acid fumes.
- (viii) The liner must be supplied along with a lid for protection of the users during handling and movement of the samples from fume hood to the instrument.
- (ix) The system must have a built-in memory of at least 1 GB or more. No external flash card would be acceptable due to risk of possible data loss. It must also be possible to directly export the data to an external storage device via USB ports in .PDF, .XLS, .CSV or. RAW formats. Must have possibility to store, modify and recall custom programs for process runs. System must have facility to send automated Email notifications after completion of digestion run or in an event of any error/s. System must have automated audio notifications at the end of an experiment and also, visual notifications via smart light. System must be

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

controllable via a remote PC, Tablet PC, Laptop or even a Smart Phone via VNC.

(xi) For highest safety to the users, the instrument must have a built-in microwave trap. This is an essential safety requirement as microwave irradiation can be very dangerous to human blood and tissues.

(xii) Maximum Temperature: Upto 300 °C or more Maximum: Pressure: Upto 199 bar or more

(xiii) The system must be able to be upgraded with an in-built magnetic stirrer device for floating samples. System must have automatic pressurization and depressurization of the cavity with N_2 . For highest user safety, manual pressurization / de-pressurization is not acceptable.

(xiv) It must be possible to process 18 samples or more in a single run with vial volume of 18 mL or more.

(xv) It must be possible to directly transfer sample weight from a balance.

High performance Rack with vials (01 no)

All available racks must have numbering at the bottom for easy identification of the samples post a digestion run. Vials must not require any tools or cap / seal screwing for ease of operation.

- System must be supplied with a rack of minimum 18 positions or higher.
- Vials material: Borosilicate Glass, Quartz and TFM Vials must be supplied (18 nos. each or more) along with Plug on caps (48 pcs) for each vial type.
- Vials volume: 18 mL or above
- Filling Volume: 10 mL or above
- Sample Weight: Upto 1 gm

Additional accessories and requirements

All required accessories and spares for trouble free installation of the system including N_2 cylinder must be provided by the vendor along with the instrument. Vendor must have a team of trained application support engineers and application cum training labs in India and should provide training to the research scholars of the institute to our satisfaction, free of cost.

Warranty: Minimum 5 years warranty should be quoted for the microwave digestor.

Weighing balance

The system must have the following features:

- (i) Maximum Capacity: 220 g; Readability: 0.1 mg; Repeatability: 0.1 mg Repeatability, typical: 0.08 mg; Minimum weight (USP, tolerance = 0.10%): 160 mg; Minimum weight (tolerance = 1%): 16 mg; Linearity deviation: ± 0.2 mg
- (ii) Settling Time: 2 S; Pan size: Ø 90 mm; Display: Backlit LCD
- (iii) Calibration: Internal calibration; Temperature accuracy (±):3 ppm/°C
- (iv) Sensitivity offset (at nominal load): 0.8 mg
- (v) High Quality Weighing Cell: Electromagnetic Force Compensation (EMFC) weighing cell
- (vi) Convenient Levelling: Front level indicator
- (vii) Secondary display option: Available
- (viii) Hook for weighing below the balance: Available
- (ix) Housing: Die-cast aluminum, ABS, Stainless steel platform and pan, Overload protection.

2

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

		(x) Connectivity: RS232 Interface, Bluetooth option, Built-in PC direct function for
		easy data transfer.
		(xi) Application: 10 integrated applications, including density determination, check
		weighing, totaling and formulation.
		Warranty: Minimum 5 years.
3	Probe sonicator	The system would be necessary to prepare specific samples for ICP-OES analysis.
		The system must have the following features:
		(i) Microprocessor based programmable processor unit for digital accuracy and
		repeatability. Minimum 10 programs storage capability in internal memory to save time for similar operations used later. Timer functions should be available to control
		the processing time from 30 second to 10 hours or more.
		(ii) The power output capacity of the generator should be 750 Watt or above.
		(iii) The processor should continuously monitor the amount of energy in Joules
		(watts x seconds) is being delivered to the probe as per the set point, and terminates
		the ultrasonic when reaches to the set point.
		(iv) Digital display of the actual amount of power in watts that is being delivered to
		the probe on LCD screen at least with alphanumeric display.
		(v) Operating at a constant frequency of 20 kHz. Provision to control the probe
		intensity with variable amplitude control (1-100%). User controllable on/off pulsar
		from ~ 1 to 59 seconds. Piezoelectric based sealed converter with required
		converter cable and stand.
		(vi) Automatic Amplitude Compensation for uniform probe amplitude under
		varying loading conditions.
		(vii) Elapsed Time Indicator for monitoring the elapsed time and the duration of
		processing.
		(viii) Automatic tuning and frequency control to eliminate the need for constant adjustment of the power supply.
		adjustment of the power supply. (ix) Working volume less than 1 mL to 1000 mL.
		(x) Integrated temperature controller with a Stainless-steel temperature sensor to
		monitor and maintain sample temperature up to 100 °C.
		(xi) Power supply: 230-250 V AC, 50 Hz; Provision for overload protection circuit.
		(xii) Sound abating enclosure should have the capability to reduce the sound by 30-
		35 db and Laboratory Jack for adjusting the sample height.
		(xiii) Warranty: Minimum 5 years. Certificates: ISO 9001 and CE. User list in
		Institutions of repute in India for last 5 years.
		(xiv) Additional Probes: 3 mm tapered microtip with ultrahigh amplitude (~160 μ),
		13 mm (solid and threaded) high amplitude (\sim 114 μ), 25 mm (solid and threaded)
		low amplitude (~35 μ). Any other suitable probes and accessories may be quoted.
		The vendors must provide a compliance sheet with the technical specification and
		supporting documents.

PREQUALIFICATION CRITERIA FOR BIDDER / BIDDER ELIGIBILITY

S. No.	Content	Pre-Requisite
1.)	OEM Supply	OEM Certificate.
2.)	In case a Bidder offering to supply goods under the contract which the Bidder did not manufacture or otherwise produce, the Bidder has been duly authorized by the goods' Manufacturer or producer to supply the goods in India.	Authorization certificate from the OEM should be provided with the bid.
3.)	Minimum Supply / Installation of Exact item(s) within India to Institutes / Labs of National Repute. Necessary Purchase Order (PO) / Work order (WO) with Installation Report (IR) must be included in the bidding document.	At least 1. PO / WO with IR should not be older than 10 (Ten) years.
4.)	Minimum Supply / Installation of Similar item(s) within India to Institutes / Labs of National Repute. Necessary Purchase Order (PO) / Work order (WO) with Installation Report (IR) must be included in the bidding document.	At least 1. PO / WO with IR should not be older than 10 (Ten) years.
5.)	Bidder or its Indian Representative must have a Complete After-Sales Service Set-up in India for fastest response. Installation / Commissioning should be accomplished with priority, as soon as we receive the Consignment at site. Warranty and After-Sales Service should be provided within Maximum 24 to 48 hours of our call.	Relevant document for after sales service set-up in India should be included with the bid.
6.)	Declaration from the principal company / by the bidder-self stating that the spare parts of the equipment will be made available to NIT Rourkela for at least 10 years from the date of installation.	Relevant document should be included with the bid.
7.)	Minimum Turnover of the firm. Annual returns of last 3 preceding years must be included in the bidding document.	Annual Returns of last 3 FY should be included with the bid.
8.)	GST Registration Certificate	Relevant document should be included with the bid
9.)	PAN Card	Relevant document should be included with the bid
10.)	NSIC / MSME Certificate	Relevant document should be included with the bid
11.)	Any Other	NA
Bidde	rs are requested to carefully go through the eligibility criteria. It will be the resp	onsibility of the bidders to ensure that all

Bidders are requested to carefully go through the eligibility criteria. It will be the responsibility of the bidders to ensure that all required documents, data, information, undertaking, certificates etc. are provided as per the bid document. Bids which fail to include the required documents, data and information, as mentioned in the bid document, may be declared non-responsive and rejected.

Provided by;
Prof. Pradip Chowdhury
Indenter [Faculty]

EVALUATION CRITERIA FOR AWARD OF CONTRACT

S. No	Content	Requirement	Evaluation [at the time of Bid opening]
1.)	A document tabulating the Make and Model of the quoted instrument and their accessories.	Relevant document should be included with the bid.	Yes / No
2.)	Technical Brochure for the authentication of the claims made with respect to specifications. In case the technical brochure is not available for some of the accessories, relevant technical details may be provided as a signed document.	Relevant document should be included with the bid.	Yes / No
3.)	An item-by-item commentary on the Purchaser's Technical Specifications demonstrating substantial responsiveness of the goods and services to those specifications should be provided as a duly signed compliance sheet. However, it is to note that this compliance sheet will not be considered as the technical specification of the equipment.	Annexure 11 should be included with the bid.	Yes / No

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

4.)	The quoted items MUST be from reputed companies. All goods and materials should be new, unused, and of the most recent or current models, and should incorporate all recent improvements in design and materials unless provided for otherwise in the technical specifications. Bidders may offer higher/better specifications but not the lower ones.	Relevant document should be included with the bid.	Yes / No
5.)	The bidder should provide the access to all genuine, original and licensed Software and Firmware along with their update releases during the warranty period and the validity period of contract.	Relevant document should be included with the bid.	Yes / No
6.)	The bidder will be responsible for total system integration and management wherever applicable. There should not be any compatibility problem / issues among the supplied products, software and components etc. The bidders should submit an undertaking to this effect.	Relevant document should be included with the bid.	Yes / No
7.)	The quotation must specify the pre- requirements (such as electrical power requirements etc.) for installation (which is to be carried out by the bidder) and the quotation must include onsite training of the personnel at NIT Rourkela.	Relevant document should be included with the bid.	Yes / No
8.)	At least one set of complete user and service manual in the English language in both Hard copy and Soft copy should also be provided.	Relevant document should be included with the bid.	Yes / No
9.)	Price quote should be inclusive of site preparation and installation, warranty and spares, training etc.	Relevant document should be included with the bid.	Yes / No
10.)	Bid System Evaluation	L1 [Lowest Evaluated Financial Bid] The lowest rate will not be the only basis of claim to get the order.	If more than one Bidder happens to quote the same lowest price, NIT RKL reserves the right to award the contract to more than one Bidder or any Bidder with the lowest price bids (say equal), the bidder with the highest 'cumulative annual turnover of the last 3 financial years would be deemed as 'Successful Bidder' with respect to the submission of proof of documents as submitted by the bidder. All prices to be guoted on FOR basis (NIT)

The comparison will be made for award of contract on the overall price basis. All prices to be quoted on FOR basis (NIT Rourkela). Price should be quoted as single combined price including site preparation and installation, warranty and spares etc., [all-inclusive]. Please furnish your Dealership Certificate & Proprietary Nature Certificate (If applicable).

ANNEXURE 1

INSTRUCTIONS FOR ONLINE BID SUBMISSION

- The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates.
- > The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.
- More information useful for submitting online bids on the CPP Portal may be obtained at https://eprocure.gov.in/eprocure/app
- > The Tender will be received online through portal http://eprocure.gov.in/eprocure/app. In the Technical Bids, the bidder is required to upload all the documents in .pdf format.
- Possession of a Valid Class- III Digital Signature Certificate (DSC) in the form of smart card / e-token in the company's name is a prerequisite for registration and participating in the bid submission activities through https://eprocure.gov.in/eprocure/app. Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the web site https://eprocure.gov.in/eprocure/app under the link "Information about DSC".

REGISTRATION

- Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: https://eprocure.gov.in/eprocure/app) by clicking on the link "Online Bidder Enrollment" on the CPP Portal which is free of charge.
- As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / email in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF / JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

<u>NOTE:</u> "My Space" containing the documents is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in "My Space", this does not automatically ensure these Documents being part of Technical Bid.

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as "offline" to pay the tender fee / EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted / couriered / given in person to the concerned office / official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD / any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- 5) A standard BOQ format has been provided with the Tender document to be filled by all the bidders.
- 6) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

(OR)

- In some cases, Financial Bids can be submitted in RAR format as well (in lieu of BOQ).
- 7) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 8) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the Secured Socket Layer (SSL) 328-bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys.
- 9) The uploaded tender documents become readable only after the tender is opened by the authorized bid openers.
- 10) Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a Bid Summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 11) Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.
- 12) The Bid Summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

ASSISTANCE TO BIDDERS

- 1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant Authorized Official indicated in the tender.
- 2) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk.
- 3) The document 'Instructions to Bidder for Online Bid Submission' is downloadable from: https://eprocure.gov.in/eprocure/app?page=StandardBiddingDocuments&service=page

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

ANNEXURE 2

GENERAL CONDITIONS OF THE CONTRACT WITH TERMS

- a) Bidder must fill the Letter of Undertaking (Annexure-4) and Declaration Performa (Annexure-5) complete in all respect.
- Bidder must quote their rates exclusive of all taxes and duties. Taxes applicable may be quoted separately giving full details.
- c) While all efforts have been made to avoid errors in the drafting of the tender documents, the Bidder is advised to check the same carefully. No claim on account of any errors detected in the tender documents shall be entertained.
- d) All Bidders are hereby explicitly informed that conditional offers or offers with deviations from the conditions of Contract, the bids not meeting the minimum eligibility criteria, Technical Bids not accompanied with Bid Security receipt of RTGS / NEFT of requisite amount or the proof of exemption from Bid Security and an Undertaking In lieu of Bid Security, or any other requirements stipulated in the tender documents are liable to be rejected.
- e) The Bid Security shall be returned through electronic transfer if submitted online to the bidder(s) bank account as provided by the bidder(s) or it will be returned by post whose offer is not accepted by the Institute within 35 days after finalization and award of the contract without any interest. If the return of Bid Security is delayed for any reason, no interest/penalty shall be payable to the bidder.
- f) For all purposes of the contract including arbitration there under, the address of the bidder mentioned in the bid shall be final unless the bidder notifies any change of address by a separate letter sent by registered post with acknowledgement due to NIT RKL. The bidder shall be solely responsible for the consequences of any omission or error to notify any change of address in the aforesaid manner.
- g) Each page in the bid document must be numbered properly and duly signed & sealed by the bidder. Submit the tender document as per Instruction for Online Bid Submission.
- h) The date fixed for opening of bids, if subsequently declared as holiday by the Government, the revised date of schedule will be notified. However, in absence of such notification, the bids will be opened on next working date, the time remaining unaltered.
- i) In preparing the financial bids, bidders are expected to take into account the requirements and conditions laid down in this Tender document. The financial bids should be uploaded online as per the specified ".xls" format i.e. Price Bid in Excel sheet attached as '.xls' with the tender and based on the scope of work, service conditions and other terms of the Tender document. It should include all costs associated with the Terms of Reference / Scope of Work of the assignment.
- j) Quoted rate should be valid as asked in "Tender Schedule".
- k) All figures etc. must be in English Language only.
- I) The lowest rate will not be the basis of claim to get the order.
- m) The firm blacklisted by any IIT / IIIT / NIT / Government Department / PSU / PSU Banks / Autonomous Bodies / Statutory Bodies in India at any stage need not to apply.
- n) Director, National Institute of Technology Rourkela reserves the right to reject or accept any tender.
- o) Director, National Institute of Technology Rourkela will be the sole arbitrator of all the disputes and his decision will be binding on both the parties.
- p) Director, National Institute of Technology Rourkela reserves the right to alter/modify any or all conditions of this tender notice.
- q) Delivery of Stores is restricted between 09:30 HRS to 17:30 HRS on all working days except Saturday & Sunday and a Public Holiday.
- r) Tenderer should take into account any corrigendum published on the tender document before submitting their bids. All such corrigendum will be placed on Central Public Procurement Portal as well as NIT RKL website www.nitrkl.ac.in. Intending tenderers are advised to visit www.nitrkl.ac.in and https://eprocure.gov.in for regular update, if any, till the closing date of tender for any corrigendum / addendum / amendment. NIT RKL will not be responsible for ignorance of corrigendum.
- s) Rate should be quoted in BOQ in Cover 2 (Price Offer **OR** Schedule of Rate).
- t) ANTI COMPETITIVE AGREEMENTS/ABUSE OF DOMINANT POSITION: The Competition Act, 2002 as amended by the Competition (Amendment) Act, 2007 (the Act), prohibits anti- competitive practices and aims at fostering competition and at protecting Indian markets against anti- competitive practices by enterprises. The Act prohibits anti- competitive agreements, abuse of dominant position by enterprises, and regulates combinations (consisting of acquisition, acquiring of control and M&A) wherever such agreements, abuse or combination causes, or is likely to cause, appreciable adverse effect on competition in markets in India. NIT RKL reserves the right to approach the Competition Commission established under the Act of Parliament and file information relating to anti-competitive agreements and abuse of dominant position. If such a situation arises, then Vendors are bound by the decision of the Competitive Commission and also subject to penalty and other provisions of the Competition Act.
- u) The tenderer who submits false, forged or fabricated documents or conceals facts with intention to win over the tender or procure purchase order; Bid Security of such tenderer firm shall be forfeited and firm shall be liable for blacklisting for a period of not less than 2 years. The firm shall also be liable for Legal action depending on the facts & circumstances of the case.

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

- v) If the supplier fails to execute the purchase order and informs NIT Rourkela about its inability to execute the order and non-compliance of the purchase order, firm shall be liable for blacklisting for a period of not less than 2 years.
- w) National Institute of Technology Rourkela reserves the right to amend or withdraw any of the terms and conditions contained in the Tender Document or to reject any or all tenders without giving any notice or assigning any reason or to cancel the tender. The decision of Director NIT RKL shall be final and binding on all.
- x) All disputes are subject to Jurisdiction of Rourkela.
- y) Interested agencies / firms can visit the site in office working hours i.e. 0900 HRS to 1800 HRS on working days.
- z) May feel free to contact Purchase Unit of SRICCE Office through email id; srpurchase@nitrkl.ac.in for any queries (Tel. No.: 0661-246 2150).

2.1 DEFINITIONS

- 2.1.1 The following words and expressions shall have the meanings hereby assigned to them:
 - a) "Contract" means the Contract Agreement entered into between the Purchaser and the Supplier, together with the Contract Documents referred to therein, including all attachments, appendices, and all documents incorporated by reference therein.
 - b) "Contract Documents" means the documents listed in the Contract Agreement, including any amendments thereto.
 - c) "Contract Price" means the price payable to the Supplier as specified in the Contract Agreement, subject to such additions and adjustments thereto or deductions there from, as may be made pursuant to the Contract.
 - d) "Day" means calendar day.
 - e) "Completion" means the fulfilment of the Related Services by the Supplier in accordance with the terms and conditions set forth in the Contract.
 - f) "GCC" means the General Conditions of Contract.
 - g) "Goods" means all of the commodities, raw material, machinery and equipment, and/or other materials that the Supplier is required to supply to the Purchaser under the Contract.
 - h) "The Work" means all labour, materials, tools and plant, equipment including government taxes and transport, that may be required in preparation of and for and in the full and entire execution and completion of "the Work".
 - i) "Related Services" means the services incidental to the supply of the goods, such as transportation, insurance, installation, training and initial maintenance and other such obligations of the Supplier under the Contract.
 - j) "SCC" means the Special Conditions of Contract.
 - k) "Subcontractor" means any natural person, private or government entity, or a combination of the above, to whom any part of the Goods to be supplied or execution of any part of the Related Services is subcontracted by the Supplier.
 - For the Bidding/ Tender Document Purposes, National Institute of Technology Rourkela shall be referred to as 'Institute'
 and the Bidder / Successful Bidder shall be referred to as 'Contractor and / or Bidder or Tenderer / Supplier / Vendor'.
 - m) "Bidder" means the natural person, private or government entity, or a combination of the above, whose bid to perform the Contract has been accepted by the Purchaser and is named as such in the Contract Agreement.
 - National Institute of Technology Rourkela (NIT RKL) means a society registered under the Certificate of Registration of Societies under Act XXI of 1860, vide no. 21466/210 of 2001-2002 dt. 05.01.2002.
 - o) "The final destination," where applicable, means the place named in the SCC.

2.2 CONTRACT DOCUMENTS

2.2.1 Subject to the order of precedence set forth in the Contract Agreement, all documents forming the Contract (and all parts thereof) are intended to be correlative, complementary, and mutually explanatory. The Contract Agreement shall be read as a whole.

2.3 FRAUD AND CORRUPTION

- 2.3.1 The purchaser requires that bidders, suppliers, contractors and consultants, if any, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy,
 - a) The terms set forth below are defined as follows:
 - i) "Corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in contract execution;
 - ii) "Fraudulent practice" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;
 - iii) "Collusive practice" means a scheme or arrangement between two or more bidders, with or without the knowledge of the Borrower, designed to establish bid prices at artificial, noncompetitive levels; and
 - iv) "Coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of a contract;
 - b) the purchaser will reject a proposal for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question.

2.4 JOINT VENTURE, CONSORTIUM OR ASSOCIATION

2.4.1 If the Supplier is a joint venture, consortium, or association, all of the parties shall be jointly and severally liable to the Purchaser for the fulfilment of the provisions of the Contract and shall designate one party to act as a leader with authority to bind the joint venture, consortium, or association. The composition or the constitution of the joint venture, consortium, or association shall not be altered without the prior consent of the Purchaser.

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

2.5 SCOPE OF SUPPLY

2.5.1 The Goods and Related Services to be supplied shall be as specified in the Schedule of Requirements.

2.6 SUPPLIERS' RESPONSIBILITIES

2.6.1 The Supplier shall supply all the Goods and Related Services included in the Scope of Supply in accordance with Scope of Supply Clause of the GCC, and the Delivery and Completion Schedule, as per GCC Clause relating to delivery and document.

2.7 CONTRACT PRICE

2.7.1 Prices charged by the Supplier for the Goods supplied and the Related Services performed under the Contract shall not vary from the prices quoted by the Supplier in its bid.

2.8 COPYRIGHT

2.8.1 The copyright in all drawings, documents, and other materials containing data and information furnished to the Purchaser by the Supplier herein shall remain vested in the Supplier, or, if they are furnished to the Purchaser directly or through the Supplier by any third party, including suppliers of materials, the copyright in such materials shall remain vested in such third party.

2.9 APPLICATION

2.9.1 These General Conditions shall apply to the extent that they are not superseded by provisions in other parts of the Contract.

2.10 STANDARDS

2.10.1 The Goods supplied and services rendered under this Contract shall conform to the standards mentioned in the Technical Specifications and Schedule of Requirements, and, when no applicable standard is mentioned, to the authoritative standard appropriate to the Goods' country of origin and such standards shall be the latest issued by the concerned institution.

2.11 USE OF CONTRACT DOCUMENTS AND INFORMATION

- 2.11.1 The Supplier shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample or information, furnished by or on behalf of the Purchaser in connection therewith, to any person other than a person employed by the Supplier in performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far, as may be necessary for purposes of such performance.
- 2.11.2 The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information enumerated above except for purposes of performing the Contract.
- 2.11.3 Any document, other than the Contract itself, enumerated above shall remain the property of the Purchaser and shall be returned (in all copies) to the Purchaser on completion of the Supplier's performance under the Contract if so required by the Purchaser.

2.12 PATENT INDEMNITY

- 2.12.1 The Supplier shall, subject to the Purchaser's compliance with GCC Sub-Clause 12.2, indemnify and hold harmless the Purchaser and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Purchaser may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract by reason of:
 - (a) The installation of the Goods by the Supplier or the use of the Goods in India; and
 - (b) The sale in any country of the products produced by the Goods.
- 2.12.2 If any proceedings are brought or any claim is made against the Purchaser, the Purchaser shall promptly give the Supplier a notice thereof, and the Supplier may at its own expense and in the Purchaser's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claims.

2.13 PERFORMANCE SECURITY

- 2.13.1 Within 21 days of receipt of the notification of award / PO, the Supplier shall furnish Performance Security (PS) in the amount specified in SCC, valid till 60 days after the warranty period. Alternatively, the PS may also be submitted at the time of release of final payment in cases where part payment is made against delivery & part on installation. The PS, where applicable, shall be submitted in advance for orders where full payment is to be made on Letter of Credit (LC) or on delivery. In this case, submission of PS at the time of negotiation of documents through Bank would be stipulated as a condition in the LC and the BS (Bid Security) should be kept valid till such time the PS is submitted.
- 2.13.2 The proceeds of the performance security shall be payable to the Purchaser as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.
- 2.13.3 The Performance Security shall be denominated in Indian Rupees (INR) for the offers received for supplies within India and / or denominated in the currency of the contract in the case of offers received for supply from foreign countries.
- 2.13.4 In the case of imports, the PS may be submitted either by the principal or by the Indian agent and, in the case of purchases from indigenous sources, the PS may be submitted by either the manufacturer or their authorized dealer / bidder.
- 2.13.5 The Performance security shall be in one of the following forms:
 - (a) A Bank guarantee or stand-by Letter of Credit issued by a Nationalized / Scheduled bank located in India or a bank located abroad in the form provided in the bidding documents. (OR)

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

- (b) A Banker's cheque or Account Payee demand draft in favour of the purchaser. (OR)
- (c) A Fixed Deposit Receipt pledged in favour of the Purchaser.
- 2.13.6 The performance security will be discharged by the Purchaser and returned to the Supplier not later than 60 days following the date of completion of the Supplier's performance obligations, including any warranty obligations, unless specified otherwise in SCC, without levy of any interest.
- 2.13.7 In the event of any contract amendment, the supplier shall, within 21 days of receipt of such amendment, furnish the amendment to the performance security, rendering the same valid for the duration of the contract, as amended for further period of 60 days thereafter.
- 2.13.8 The order confirmation should be received within 15 days from the date of notification of award. However, the Purchaser has the powers to extend the time frame for submission of order confirmation and submission of Performance Security (PS). Even after extension of time, if the order confirmation / PS is not received, the contract shall be cancelled and limited tenders irrespective of the value would be invited from the responding firms after forfeiting the bid security of the defaulting firm, where applicable provided there is no change in specifications. In such cases the defaulting firm would not be considered again for re-tendering in the particular case.

2.14. INSPECTIONS AND TESTS

- 2.14.1 The Supplier shall at its own expense and at no cost to the Purchaser carry out all such tests and / or inspections of the Goods and Related Services as are specified in the SCC or as discussed and agreed to during the course of finalization of contract.
- 2.14.2 The Purchaser or its representative shall have the right to inspect and / or to test the Goods to confirm their conformity to the Contract specifications at no extra cost to the Purchaser. The Technical Specifications and SCC shall specify what inspections and tests the Purchaser requires and where they are to be conducted. The Purchaser shall notify the Supplier in writing in a timely manner of the identity of any representatives retained for these purposes
- 2.14.3 The inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at the point of delivery and / or at the final destination of the Goods. If conducted on the premises of the Supplier or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data shall be furnished to the inspectors at no charge to the Purchaser
- 2.14.4 Whenever the Supplier is ready to carry out any such test and inspection, it shall give a reasonable advance notice, including the place and time, to the Purchaser. The Supplier shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the Purchaser or its designated representative to attend the test and / or inspection
- 2.14.5 Should any inspected or tested Goods fail to conform to the specifications, the Purchaser may reject the goods and the Supplier shall either replace the rejected Goods or make alterations necessary to meet specification requirements free of cost to the Purchaser.
- 2.14.6 The Purchaser's right to inspect, test and, where necessary, reject the Goods after the Goods' arrival at final destination shall in no way be limited or waived by reason of the Goods having previously been inspected, tested and passed by the Purchaser or its representative prior to the Goods shipment.
- 2.14.7 The Supplier shall provide the Purchaser with a report of the results of any such test and / or inspection.
- 2.14.8 With a view to ensure that claims on insurance companies, if any, are lodged in time, the bidders and / or the Indian agent shall be responsible for follow up with their principals for ascertaining the dispatch details and informing the same to the Purchaser and he shall also liaise with the Purchaser to ascertain the arrival of the consignment after clearance so that immediately thereafter in his presence the consignment could be opened and the insurance claim be lodged, if required, without any loss of time. Any delay on the part of the bidder / Indian Agent would be viewed seriously and he shall be directly responsible for any loss sustained by the purchaser on the event of the delay.

2.15 PACKING

- 2.15.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.
- 2.15.2 The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be provided for in the Contract including additional requirements, if any, specified in SCC and in any subsequent instructions ordered by the Purchaser.

2.16 DELIVERY AND DOCUMENTS

- 2.16.1 Delivery of the Goods and completion of related services shall be made by the Supplier in accordance with the terms specified by the Purchaser in the contract. The details of shipping and / or other documents to be furnished by the supplier are specified in SCC.
- 2.16.2 The terms FOB, FCA, CIF, CIP etc. shall be governed by the rules prescribed in the current edition of the Incoterms published by the International Chambers of Commerce, Paris.

2.31 INSURANCE

- 2.17.1 Should the purchaser elect to buy on CIF / CIP basis, the Goods supplied under the Contract shall be fully insured in Indian Rupees (INR) against any loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in SCC.
- 2.17.2 Where delivery of the goods is required by the purchaser on CIF or CIP basis the supplier shall arrange and pay for Cargo Insurance, naming the purchaser as beneficiary and initiate & pursue claims till settlement, on the event of any loss or damage.
- 2.17.3 Where delivery is on FOB or FCA basis, insurance would be the responsibility of the purchaser.

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

2.17.4 With a view to ensure that claims on insurance companies, if any, are lodged in time, the bidders and / or the Indian agent shall be responsible for follow up with their principals for ascertaining the dispatch details and informing the same to the Purchaser and he shall also liaise with the Purchaser to ascertain the arrival of the consignment after clearance so that immediately thereafter in his presence the consignment could be opened and the insurance claim be lodged, if required, without any loss of time. Any delay on the part of the bidder / Indian Agent would be viewed seriously and he shall be directly responsible for any loss sustained by the purchaser on the event of the delay.

2.18 TRANSPORTATION

- 2.18.1 Where the Supplier is required under the Contract to deliver the Goods FOB, transport of the Goods, up to and including the point of putting the Goods on board the vessel at the specified port of loading, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract price. Where the Supplier is required under the Contract to deliver the Goods FCA, transport of the Goods and delivery into the custody of the carrier at the place named by the Purchaser or other agreed point shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract price.
- 2.18.2 Where the Supplier is required under the Contract to deliver the Goods CIF or CIP, transport of the Goods to the port of destination or such other named place of destination in the Purchaser's country, as shall be specified in the Contract, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.
- 2.18.3 In the case of supplies from within India, where the Supplier is required under the Contract to transport the Goods to a specified destination in India, defined as the Final Destination, transport to such destination, including insurance and storage, as specified in the Contract, shall be arranged by the Supplier, and the related costs shall be included in the Contract Price.

2.19 INCIDENTAL SERVICES

2.19.1 The supplier may be required to provide any or all of the services, if any, specified in SCC

2.20 SPARE PARTS

- 2.20.1 The Supplier shall be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier:
 - (a) Such spare parts as the Purchaser may elect to purchase from the Supplier, providing that this election shall not relieve the Supplier of any warranty obligations under the Contract; and
 - (b) In the event of termination of production of the spare parts:
 - (i) Advance notification to the Purchaser of the pending termination, in sufficient time to permit the Purchaser to procure needed requirements; and
 - (ii) Following such termination, furnishing at no cost to the Purchaser, the blueprints, drawings and specifications of the spare parts, if requested.

2.21 WARRANTY

- 2.21.1 The Supplier warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.
- 2.22.2 The Supplier further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in India.
- 2.21.3 Unless otherwise specified in the SCC, the warranty shall remain valid for twelve (12) months after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the SCC, or for eighteen (38) months after the date of shipment from the port or place of loading in the country of origin, whichever period concludes earlier.
- 2.21.4 The Purchaser shall give notice to the Supplier stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Purchaser shall afford all reasonable opportunity for the Supplier to inspect such defects
- 2.21.5 Upon receipt of such notice, the Supplier shall, within a reasonable period of time, expeditiously repair or replace the defective Goods or parts thereof, at no cost to the Purchaser.
- 2.21.6 If having been notified, the Supplier fails to remedy the defect within the reasonable period of time; the Purchaser may proceed to take within a reasonable period such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.
- 2.21.7 Goods requiring warranty replacements must be replaced on free of cost basis to the purchaser.

2.22 TERMS OF PAYMENT

- 2.22.1 The method and conditions of payment to be made to the Supplier under this Contract shall be as specified in the SCC.
- 2.22.2 The Supplier's request(s) for payment shall be made to the Purchaser in writing, accompanied by an invoice describing, as appropriate, the Goods delivered and the Services performed, and by documents, submitted pursuant to Delivery and document Clause of the GCC and upon fulfillment of other obligations stipulated in the contract.
- 2.22.3 Payments shall be made promptly by the Purchaser but in no case later than thirty (30) days after submission of the invoice or claim by the Supplier.
- 2.22.4 Payment shall be made in currency as indicated in the contract.

2.23. CHANGE ORDERS AND CONTRACT AMENDMENTS

- 2.23.1 The Purchaser may at any time, by written order given to the Supplier pursuant to Clause on Notices of the GCC make changes within the general scope of the Contract in any one or more of the following:
 - (a) Drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;
 - (b) The method of shipping or packing;
 - (c) The place of delivery; and / or
 - (d) The Services to be provided by the Supplier.
 - (e) The delivery schedule.
- 2.23.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this clause must be asserted within fifteen (15) days from the date of the Supplier's receipt of the Purchaser's change order.
- 2.23.3 No variation or modification in the terms of the contract shall be made except by written amendment signed by the parties.

2.24. ASSIGNMENT

2.24.1 The Supplier shall not assign, in whole or in part, its obligations to perform under the Contract, except with the Purchaser's prior

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

written consent.

2.25. SUBCONTRACTS

2.25.1 The Supplier shall notify the Purchaser in writing of all subcontracts awarded under this Contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the Supplier from any liability or duties or obligation under the Contract.

2.26 EXTENSION OF TIME

- 2.26.1 Delivery of the Goods and performance of the Services shall be made by the Supplier in accordance with the time schedule specified by the Purchaser.
- 2.26.2 If at any time during performance of the Contract, the Supplier or its sub-contractor(s) should encounter conditions impeding timely delivery of the Goods and performance of Services, the Supplier shall promptly notify the Purchaser in writing of the fact of the delay, it's likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may, at its discretion, extend the Supplier's time for performance with or without penalty, in which case the extension shall be ratified by the parties by amendment of the Contract.
- 2.26.3 Except as provided under the Force Majeure clause of the GCC, a delay by the Supplier in performance of its delivery obligations shall render the Supplier liable to the imposition of penalty pursuant to Penalty Clause of the GCC unless an extension of time is agreed upon pursuant to above clause without the application of penalty clause.

2.27 PENALTY CLAUSE

2.27.1 Subject to GCC Clause on Force Majeure, if the Supplier fails to deliver any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as penalty, a sum equivalent to the percentage specified in SCC of the delivered price of the delayed Goods or unperformed Services or contract value for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the Percentage specified in SCC. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to GCC Clause on Termination for Default. The SCC shall also indicate the basis for ascertaining the value on which the penalty shall be applicable.

2.28. TERMINATION FOR DEFAULT

- 2.28.1 The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part;
 - (a) If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause on Extension of Time; or
 - (b) If the Supplier fails to perform any other obligation(s) under the Contract.
 - (c) If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent or collusive or coercive practices as defined in GCC Clause on Fraud or Corruption in competing for or in executing the Contract.
- 2.28.2 In the event the purchaser terminates the contract in whole or in part, he may take recourse to any one or more of the following action:
 - a) The Performance Security is to be forfeited;
 - (b) The purchaser may procure, upon such terms and in such manner as it deems appropriate, stores similar to those undelivered, and the supplier shall be liable for all available actions against it in terms of the contract.
 - (c) However, the supplier shall continue to perform the contract to the extent not terminated.

2.29 FORCE MAJEURE

- 2.29.1 Notwithstanding the provisions of GCC Clauses relating to extension of time, penalty and Termination for Default the Supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, it's delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
- 2.29.2 For purposes of this Clause, "Force Majeure" means an event or situation beyond the control of the Supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Supplier. Such events may include, but not be limited to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.
- 2.29.3 If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof within 21 days of its occurrence. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
- 2.29.4 If the performance in whole or in part or any obligations under the contract is prevented or delayed by any reason of force majeure for a period exceeding 60 days, either party may at its option terminate the contract without any financial repercussions on either side.

2.30 TERMINATION FOR INSOLVENCY

2.30.1 The Purchaser may at any time terminate the Contract by giving written notice to the Supplier, if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the Purchaser.

2.31 TERMINATION FOR CONVENIENCE

- 2.31.1 The Purchaser, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.
- 2.31.2 The Goods those are complete and ready for shipment within 30 days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect:
 - (a) To have any portion completed and delivered at the Contract terms and prices; and / or
 - (b) To cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and for materials and parts previously procured by the Supplier.

2.32 SETTLEMENT OF DISPUTES

2.32.1 The Purchaser and the supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

dispute arising between them under or in connection with the Contract.

- 2.32.2 If, after twenty-one (21) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the Purchaser or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the Goods under the Contract.
- 2.32.3 The dispute settlement mechanism / arbitration proceedings shall be concluded as under:
 - (a) In case of Dispute or difference arising between the Purchaser and a domestic supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act, 1996, the rules there under and any statutory modifications or re-enactments thereof shall apply to the arbitration proceedings. The dispute shall be referred to the Chairman, Board of Governors of NIT Rourkela and if he is unable or unwilling to act, to the sole arbitration of some other person appointed by him willing to act as such Arbitrator. The award of the arbitrator so appointed shall be final, conclusive and binding on all parties to this order.
 - (b) In the case of a dispute between the purchaser and a Foreign Supplier, the dispute shall be settled by arbitration in accordance with provision of sub-clause (a) above. But if this is not acceptable to the supplier then the dispute shall be settled in accordance with provisions of UNCITRAL (United Nations Commission on International Trade Law) Arbitration Rules.
- 2.32.4 The venue of the arbitration shall be the place from where the purchase order or contract is issued.
- 2.32.5 Notwithstanding any reference to arbitration herein,
 - (a) The parties shall continue to perform their respective obligations under the Contract unless they otherwise agree; and
 - (b) The Purchaser shall pay the Supplier any monies due to the Supplier.

2.33 GOVERNING LANGUAGE

2.33.1 The contract shall be written in English language which shall govern its interpretation. All correspondence and other documents pertaining to the Contract, which are exchanged by the parties, shall be written in the English language only.

2.34 APPLICABLE LAW

2.34.1 The Contract shall be interpreted in accordance with the laws of the Union of India and all disputes shall be subject to place of jurisdiction as specified in SCC.

2.35 NOTICES

- 2.35.1 Any notice given by one party to the other pursuant to this contract / order shall be sent to the other party in writing or by cable, telex, FAX, e-mail or and confirmed in writing to the other party's address specified in the SCC.
- 2.35.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

2.36 TAXES AND DUTIES

- 2.36.1 For goods manufactured outside India, the Supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside India.
- 2.36.2 For goods Manufactured within India, the Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred till its final manufacture / production.
- 2.36.3 If any tax exemptions, reductions, allowances or privileges may be available to the Supplier in India, the Purchaser shall make its best efforts to enable the Supplier to benefit from any such tax savings to the maximum allowable extent.

 Bidders having GST Registration Certificate are required to indicate their GST Registration number and shall have to enclose a self-certified copy of GST Registration Certificate. If bidder has opted for composition scheme under GST ACT 2017, they have to declare themselves as "Composition Scheme" in the bid and indicate their Registration number in the Price Bid. Bidder shall have to enclose a certificate in original from a practicing Chartered Accountant / Cost & Management Accountant / Company Secretary confirming that Bidder is eligible to opt the scheme and has fulfilled all the conditions as mentioned in notification in this regard. In addition, bidder has to enclose the self-attested GST Registration Certificate in the commercial bid. If the Bidder is unregistered i.e. exempted from GST registration, they have to declare themselves as "GST Unregistered Bidders" in the bid and shall have to enclose GST Exemption documents i.e. certificate in original from Practicing Chartered Accountant / Cost & Management Accountant / Company Secretary that Bidder is fulfilling all the conditions prescribed in GST Act, 2017 to make him exempt from registration.

2.37 RIGHT TO USE DEFECTIVE GOODS

2.37.1 If after delivery, acceptance and installation and within the guarantee and warranty period, the operation or use of the goods proves to be unsatisfactory, the Purchaser shall have the right to continue to operate or use such goods until rectifications of defects, errors or omissions by repair or by partial or complete replacement is made without interfering with the Purchaser's operation.

2.38 PROTECTION AGAINST DAMAGE

- 2.38.1 The system shall not be prone to damage during power failures and trip outs.
 - The normal voltage and frequency conditions available at site as under:
 - (a) Voltage 230 volts Single phase / 435 V 3 phase (±10%)
 - (b) Frequency 50 Hz.

2.39. SITE PREPARATION AND INSTALLATION

The Purchaser is solely responsible for the construction of the equipment sites in compliance with the technical and environmental specifications defined by the Supplier. The Purchaser will designate the installation sites before the scheduled installation date to allow the Supplier to perform a site inspection to verify the appropriateness of the sites before the installation of the Equipment, if required. The supplier shall inform the purchaser about the site preparation, if any, needed for installation, of the goods at the purchasers' site immediately after notification of award / contract.

Sd/-REGISTRAR

......

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

ANNEXURE 3

SPECIAL CONDITIONS OF CONTRACT

- These instructions are over and above the instructions contained in the enclosed set of tender documents and override instructions in case of conflict.
- All the documents submitted must be legible and self-attested and stamped. Otherwise it is likely to be rejected.
- Tender must be guoted in prescribe format on the company / firm letter head.

3.1. ELIGIBLE BIDDERS

- 3.1.1 This Invitation for Bids is open to all suppliers; Each Bidder shall submit only one Bid, either individually or as a partner in a joint venture. A Bidder who submits or participates in more than one Bid (other than as a sub-contractor) shall cause all Bids with the Bidder's participation to be disqualified.
- 3.1.2 Bidders should not be associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by the Purchaser to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods to be purchased under this Invitation of Bids.

3.2. COST OF BIDDING

3.2.1 The Bidder shall bear all costs associated with the preparation and submission of its bid, and "The Purchaser", will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.

3.3. FRAUD AND CORRUPTION

- 3.3.1 The purchaser requires that the bidders / suppliers and contractors observe the highest standard of ethics during the procurement and execution of such contracts.
- 3.3.2 The purchaser will reject a proposal for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question.

3.4. COST OF BIDDING DOCUMENTS

3.4.1 Interested eligible bidders may download the document from our Website. However, the bid document cost to be paid during the submission of the bid.

3.5. CONTENT OF BIDDING DOCUMENTS

- 3.5.1 The goods required, bidding procedures and contract terms are prescribed in the bidding documents which should be read in conjunction.
- 3.5.2 The Bidder is expected to examine all instructions, forms, terms, and specifications in the bidding documents. Failure to furnish all information required by the bidding documents or submission of a bid not substantially responsive to the bidding documents in every respect will be at the Bidder's risk and may result in rejection of its bid.

3.6. CLARIFICATION OF BIDDING DOCUMENTS

A prospective Bidder requiring any clarification of the Bidding Documents shall contact the Purchaser in writing via email / fax. The Purchaser will respond in writing to any request for clarification, provided that such request is received not later than ten (30) days prior to the deadline for submission of bids. The Purchaser shall forward copies of its response to all those who have acquired the Bidding Documents directly from it, including a description of the inquiry but without identifying its source. Should the Purchaser deem it necessary to amend the Bidding Documents as a result of a clarification, it shall do so following the procedure under clause relating to amendment of Bidding documents and Clause relating to Deadline for Submission of Bids. The clarifications and amendments issued would also be hosted on the website of the purchaser for the benefit of the other prospective bidders.

3.7. AMENDMENT OF BIDDING DOCUMENTS

- 3.7.1 At any time prior to the deadline for submission of bids, the Purchaser may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents by amendment.
- 3.7.2 All prospective bidders who have received the bidding documents will be notified of the amendment in writing or by e-mail and will be binding on them. The same would also be hosted on the website of the purchaser and all prospective bidders are expected to surf the website before submitting their bids to take cognizance of the amendments.
- 3.7.3 In order to allow prospective bidders reasonable time to take the amendment into account, while in preparing their bids, the Purchaser, at its discretion, may extend the deadline for the submission of bids and host the changes on the website of the purchaser.
- 3.7.4 In case of any amendment to the bid, it will be done at least 7 days before due date and will be published in website. Bidders are required to keep this in view before submission. Normally extension of due date will not be entertained. However, in special cases if due date is extended, it will be notified under the same tender notice before 3 days of due date.

PREPARATION OF BIDS

3.8. LANGUAGE OF BID

3.8.1 The bid prepared by the Bidder, as well as all correspondence and documents relating to the bid exchanged by the Bidder and the Purchaser, shall be written in English language only especially when the details are technical.

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

3.9. DOCUMENTS COMPRISING THE BID

- 3.9.1 The bid prepared by the Bidder shall include:
 - a) Tender Acceptance Letter
 - b) Declaration Performa
 - c) Check List for Bid Submission
 - d) Bid Security Declaration.
 - e) Model Format for PBG
 - f) Mandate form for Electronic Fund Transfer
 - g) Checklist for Bidders' Eligibility
 - h) Checklist for Compliance on Technical specification

3.10. BID FORM AND PRICE SCHEDULE

3.30.1 The bidder shall complete the Bid with the appropriate price schedule.

3.11. BID PRICES

3.11.1 The currency of all quoted rates shall be Indian Rupees. All payment shall be made in Indian Rupees. The rates are to be quoted by the bidders in Indian Rupees only and payment shall be made to successful bidders in Indian Rupees only. Any statutory applicable taxes such as applicable Tax, etc. should be mentioned separately in the Financial Bid. However, quote should be inclusive of all other levies, statutory taxes and charges etc. and should be delivered at the premises. All prices shall be fixed and shall not be subject to escalation of any description. The rates must be quoted strictly as per the 'Financial Bid Format' provided.

The rates quoted should preferably be net, inclusive of all taxes and duties, packing, forwarding, freight, Insurance and all other incidental charges. In case these charges are quoted extra in addition to the quoted rates, the amount thereof or Ad Valorem rate must be specified. Packing, forwarding, freight etc., when quotes separately are reimbursable at actuals. If external agencies are employed, their receipts must be enclosed with the invoice.

Duties and Taxes are to be quoted separately. Ad Valorem rates thereof should be clearly indicated with reference to the relevant Acts and Rules. The Bidder shall indicate on the appropriate price schedule, the unit prices and total bid prices of the goods with applicable statutory taxes shown separately it proposes to supply under the contract.

Vendor should clearly mention the Rate of applicable GST separately, if firm will not mention the Taxes clearly on their Price Quotation, NIT Rourkela will assume that the quoted price is inclusive of all and no extra amount in later stage shall be paid by NIT Rourkela on account of Taxes. In case of tax exemption or lower TDS, vendor has to submit letter from Government Authority for tax exemption or lower TDS (to be submitted along with each of the invoice(s).

3.11.2 Prices indicated on the price-schedule form shall be entered separately in the following manner:

(A) FOR GOODS MANUFACTURED WITHIN INDIA

- (i) The price of the goods quoted Ex-works including taxes already paid.
- (ii) Applicable taxes [shall be shown extra] which will be payable on the goods if the contract is awarded.
 - a. The charges for inland transportation, insurance and other local services required for delivering the goods at the desired destination as specified in the price schedule.
 - b. The installation, commissioning and training charges including any incidental services, if any.

(B) FOR GOODS MANUFACTURED ABROAD

Bidders are required to show break-up of Ex-works [which should include packing and handling charges], FOB / FCA and CIF / CIP price in the quotation. NIT Rourkela has a mechanism for consolidation and customs clearance. The consolidators will be nominated for this purpose at the time of awarding the contract if desires so.

- (i) The price of the goods, quoted on FCA (named place of delivery abroad) or FOB (named port of shipment), as specified in the price schedule.
- (ii) The charges for insurance and transportation of the goods to the port / place of destination.
- (iii) The agency commission charges should be shown, if any.
- (iv) The installation, commissioning and training charges including any incidental services, if any
- 3.11.3 The terms FOB, FCA, CIF, CIP etc. shall be governed by the rules prescribed in the current edition of the Incoterms published by the International Chambers of Commerce, Paris.
- 3.11.4 Where there is no mention of packing, forwarding, freight, insurance changes, taxes etc. such offer shall be rejected as incomplete.
- 3.11.5 The price quoted shall remain fixed during the contract period and shall not vary on any account.
- 3.11.6 All lots and items must be listed and priced separately in the Price Schedules. If a Price Schedule shows items listed but not priced their prices shall be assumed to be included in the prices of other items. Lots or items not listed in the Price Schedule shall be assumed to be not included in the bid.
- 3.11.7 The purchases made by the purchaser for scientific purpose are exempt from GST and Customs Duty as applicable below notifications;
 - Notification no. 51/96- Customs dt. 21.07.1996, Notification no. 47/2017- Integrated Tax (Rate) dt. 14.11.2017 and Notification No- 45/2017- Central tax (Rate) dt. 14.11.2017 [vide Registration No.: TU/V/RG-CDE (227)/2016, dated: 11.11.2018].
 - Notification No. 45/2017 Central Tax-(Rate), Dated: 14.11.2017 Notification No. 47/2017 Integrated Tax (Rate), Dated: 14.11.2017 are required for research purpose only.

3.12. BID CURRENCIES

3.12.1 Prices shall be quoted in Indian Rupees for offers received for supply within India and in freely convertible foreign currency in case of offers received for supply from foreign countries.

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

3.13. DOCUMENTS ESTABLISHING BIDDER'S ELIGIBILITY AND QUALIFICATIONS

- 3.13.1 The bidder shall furnish, as part of its bid, documents establishing the bidders' eligibility to bid and its qualification to perform the contract if its bid is accepted.
- 3.13.2 The documentary evidence of the bidder's qualification to perform the contract if the bid is accepted shall establish to the purchaser's satisfaction that;
 - a) The bidder meets the qualification criteria listed in bidding documents, if any.
 - b) Bidder doesn't manufacture the goods it offers to supply shall submit to Manufacturers' Authorization Form (MAF) to demonstrate that it has been duly authorized by the manufacturer of the goods to quote and / or supply the goods.
 - c) In case a bidder not doing business within India, it shall furnish the certificate to the effect that the bidder is or will be represented by an agent in India equipped and able to carry out the supply, maintenance, repair obligations etc. during the warranty and post warranty period or ensure a mechanism at place for carrying out the supply, maintenance, repair obligations etc. during the warranty and post-warranty period.
- 3.13.3 Conditional tenders shall not be accepted.

3.14. DOCUMENTS ESTABLISHING GOODS' ELIGIBILITY AND CONFORMITY TO BIDDING DOCUMENTS

- 3.14.1 To establish the goods' eligibility, the documentary evidence of the goods and services eligibility shall consist of a statement on the country of origin of the goods and services offered which shall be confirmed by a certificate of origin at the time of shipment.
- 3.14.2 To establish the conformity of the goods and services to the specifications and schedule of requirements of the bidding document, the documentary evidence of conformity of the goods and services to the bidding documents may be in the form of literature, drawings and data, and shall consist of:
 - a) A detailed description of the essential technical and performance characteristics of the goods;
 - b) A list giving full particulars, including available sources and current prices, of spare parts, special tools, etc., necessary for the proper and continuing functioning of the goods during the warranty period following commencement of the use of the goods by the Purchaser in the Priced bid; and
 - c) An item-by-item commentary on the Purchaser's Technical Specifications demonstrating substantial responsiveness of the goods and services to those specifications or a statement of deviations and exceptions to the provisions of the Technical Specifications.
- 3.14.3 For purposes of the commentary to be furnished pursuant to above, the Bidder shall note that standards for workmanship, material and equipment, designated by the Purchaser in its Technical Specifications are intended to be descriptive only and not restrictive. The Bidder may substitute these in its bid, provided that it demonstrates to the Purchaser's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.

3.15. BID SECURITY / EARNEST MONEY DEPOSIT (GFR RULE 170)

3.15.1 As per F.9/4/2020-PPD dt. 12.11.2020; No provisions regarding Bid Security should be kept in the Bid Documents in future and only provision for Bid Security Declaration should be kept in the Bid Documents.

As per this, Bid Security Declaration is provided in the Bid Document as Annexure 7 for the purpose of submission by the Bidder along with the bid documents.

3.16. PERIOD OF VALIDITY OF BIDS

- 3.16.1 Bids shall remain valid for minimum of 90 days (in general) after the date of bid opening prescribed by the Purchaser. A bid valid for a shorter period shall be rejected by the Purchaser as non-responsive.
- 3.16.2 In exceptional circumstances, the Purchaser may solicit the Bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing (or by e-mail, cable, telex or fax). The bid security provided shall also be suitably extended. A Bidder may refuse the request without forfeiting its bid security. A Bidder granting the request will not be required nor permitted to modify its bid.
- 3.16.3 Bid evaluation will be based on the bid prices without taking into consideration the above corrections.

3.17. CONFIDENTIALITY

- 3.17.1 Information relating to the examination, evaluation, comparison, and post qualification of bids, and recommendation of contract award, shall not be disclosed to bidders or any other persons not officially concerned with such process until publication of the Contract Award.
- 3.17.2 Any effort by a Bidder to influence the Purchaser in the examination, evaluation, comparison, and post qualification of the bids or contract award decisions may result in the rejection of its Bid.

3.18. CLARIFICATION OF BIDS

3.18.1 To assist in the examination, evaluation, comparison and post qualification of the bids, the Purchaser may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing and no change in prices or substance of the bid shall be sought, offered or permitted. However, no negotiation shall be held except with the lowest bidder, at the discretion of the purchaser. Any clarification submitted by a bidder in respect to its bid which is not in response to a request by the purchaser shall not be considered.

3.19. Conversion to Single Currency

3.19.1 To facilitate evaluation and comparison, the Purchaser will convert all bid prices expressed in the amounts in various currencies in which the bid prices are payable to Indian Rupees at the selling exchange rate established by any bank in India on the date of bid opening in the case of single part bidding and the rates prevalent on the date of opening of the Priced bids in the case of two-part bidding. For this purpose, exchange rate notified in www.rbi.org or any other website could also be used by the purchaser.

3.20. CONTACTING THE PURCHASER

- 3.20.1 Subject to ITB Clause 1.24, no Bidder shall contact the Purchaser on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded.
- 3.20.2 Any effort by a Bidder to influence the Purchaser in its decisions on bid evaluation, bid comparison or contract award may result in rejection of the Bidder's bid.

3.21. POST QUALIFICATION

3.21.1 In the absence of pre-qualification, the Purchaser will determine to its satisfaction whether the Bidder that is selected as having

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

submitted the lowest evaluated responsive bid is qualified to perform the contract satisfactorily, in accordance with the criteria listed in ITB Clause 11.

- 3.21.2 The determination will take into account the eligibility criteria listed in the bidding documents and will be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, as well as such other information as the Purchaser deems necessary and appropriate.
- 3.21.3 An affirmative determination will be a prerequisite for award of the contract to the Bidder. A negative determination will result in rejection of the Bidder's bid.

3.22. PURCHASER'S RIGHT TO ACCEPT ANY BID AND TO REJECT ANY OR ALL BIDS

3.22.1 The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder or Bidders.

3.23. WARRANTY

- 3.23.1 The Supplier warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.
- 3.23.2 The Supplier further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in India.
- 3.23.3 Unless otherwise specified, the warranty shall remain valid for twelve (12) months after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated, or for eighteen (18) months after the date of shipment from the port or place of loading in the country of origin, whichever period concludes earlier.
- 3.23.4 The Purchaser shall give notice to the Supplier stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof.
 - The Purchaser shall afford all reasonable opportunity for the Supplier to inspect such defects.
- 3.23.5 Upon receipt of such notice, the Supplier shall, within a reasonable period of time, expeditiously repair or replace the defective Goods or parts thereof, at no cost to the Purchaser.
- 3.23.6 If having been notified, the Supplier fails to remedy the defect within the reasonable period of time; the Purchaser may proceed to take within a reasonable period such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.
- 3.23.7 Goods requiring warranty replacements must be replaced on free of cost basis to the purchaser.
- 3.23.8 **Performance Guarantee:** The successful bidder is required to submit a performance Guarantee of 10% of Purchase Order value valid during warranty period, plus two months' grace period.

3.24 PENALTY CLAUSE

3.24.1 Subject to GCC Clause on Force Majeure, if the Supplier fails to deliver any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as penalty, a sum equivalent to the percentage specified in contract of the delivered price of the delayed Goods or unperformed Services or contract value for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the Percentage specified in contract. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to GCC. Clause on Termination for Default. The SCC shall also indicate the basis for ascertaining the value on which the penalty shall be applicable

3.25 INSURANCE

- 3.25.1 Should the purchaser elect to buy on CIF / CIP basis, the Goods supplied under the Contract shall be fully insured in Indian Rupees against any loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in contract.
- 3.25.2 Where delivery of the goods is required by the purchaser on CIF or CIP basis the supplier shall arrange and pay for Cargo Insurance, naming the purchaser as beneficiary and initiate & pursue claims till settlement, on the event of any loss or damage.
- 3.25.3 Where delivery is on FOB or FCA basis, insurance would be the responsibility of the purchaser.
- 3.25.4 With a view to ensure that claims on insurance companies, if any, are lodged in time, the bidders and / or the Indian agent shall be responsible for follow up with their principals for ascertaining the dispatch details and informing the same to the Purchaser and he shall also liaise with the Purchaser to ascertain the arrival of the consignment after clearance so that immediately thereafter in his presence the consignment could be opened and the insurance claim be lodged, if required, without any loss of time. Any delay on the part of the bidder / Indian Agent would be viewed seriously and he shall be directly responsible for any loss sustained by the purchaser on the event of the delay.

3.26 TRANSPORTATION

- 3.26.1 Where the Supplier is required under the Contract to deliver the Goods FOB, transport of the Goods, up to and including the point of putting the Goods on board the vessel at the specified port of loading, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract price. Where the Supplier is required under the Contract to deliver the Goods FCA, transport of the Goods and delivery into the custody of the carrier at the place named by the Purchaser or other agreed point shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract price.
- 3.26.2 Where the Supplier is required under the Contract to deliver the Goods CIF or CIP, transport of the Goods to the port of destination or such other named place of destination in the Purchaser's country, as shall be specified in the Contract, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.
- 3.26.3 In the case of supplies from within India, where the Supplier is required under the Contract to transport the Goods to a specified destination in India, defined as the Final Destination, transport to such destination, including insurance and storage, as specified in the Contract, shall be arranged by the Supplier, and the related costs shall be included in the Contract Price.

3.27 PACKING

Should be as per standards prescribed for international trade and movement of the goods.

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

3.28 STANDARDS

The Goods supplied and services rendered under this Contract shall conform to the standards mentioned in the Technical Specifications and Schedule of Requirements, and, when no applicable standard is mentioned, to the authoritative standard appropriate to the Goods' country of origin and such standards shall be the latest issued by the concerned institution. If it is found that items are fake or of sub-standard quality and not conforming to the required specifications, the firm will have to replace the fake/ sub-standard items with genuine ones immediately but they will also be liable to be blacklisted.

3.29 PERFORMANCE SECURITY / GUARANTEE (GFR RULE 171)

- 3.29.1 Within 21 days of receipt of the notification of award / PO, the Supplier shall furnish performance security of 3% of Contract / Purchase Order value in the amount specified in the Contract, valid till 60 days beyond the completion of contractual obligations.
- 3.29.2 The proceeds of the performance security shall be payable to the Purchaser as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.
- 3.29.3 The Performance Security shall be denominated in Indian Rupees for the offers received for supplies within India and denominated in the currency of the contract in the case of offers received for supply from foreign countries.
- 3.29.4 In the case of imports, the PS may be submitted either by the principal or by the Indian agent and, in the case of purchases from indigenous sources, the PS may be submitted by either the manufacturer or their authorized dealer / bidder.
- 3.29.5 The Performance security shall be in one of the following forms:
 - (a) A Bank guarantee or stand-by Letter of Credit issued by a Nationalized/Scheduled bank located in India or a bank located abroad in the form provided in the bidding documents. (OR)
 - (b) A Banker's cheque or Account Payee demand draft in favour of the purchaser. (OR)
 - (c) A Fixed Deposit Receipt pledged in favour of the Purchaser.

3.30 DELIVERY & LIQUIDATED DAMAGE

Delivery schedule should be specified clearly.

Delivery of completion of systems/ components and Work is delayed for reasons of force majeure such as acts of God, Acts of Public enemy, acts of Government, fires, floods, epidemics, quarantine restrictions, illegal strikes and freight embargoes, the Contractor shall within 3 days from the date of such occurrence, give notice to NIT Rourkela in writing of his claim for extension of delivery period. NIT Rourkela on receipt of such notice may agree to extend the supply / contract delivery date as may be reasonable but without prejudice to other terms and conditions of the contract. Unless the extended delivery period is agreed by NIT Rourkela in writing, Tender Number cannot claim the extension of delivery time as a matter of right. NIT Rourkela shall have the right to cancel/ extend the order validity / levy Liquidated Damage (LD) as appropriate.

The time of delivery and Completion of Work including testing and handing over in satisfactory condition is the essence of the contract and the shipment should be effected as per the schedule. In the event of part supply, NIT Rourkela shall withhold the entire payment until the whole of the supply and work completed as per the order. In case the delivery schedule is not stipulated as essential criteria, contractor may indicate the period of delivery required for them.

Defect Liability period shall be 12 months from the date of satisfactory completion and handing over the site and satisfactory report from the indenter / End user.

If the successful bidder, on receipt of the supply order, fails to execute the order within the stipulated period, in full or part, it will be open to the Director, NIT Rourkela to recover liquidated damage from the firm at the rate of 0.25 percent of the value of undelivered goods per week or part thereof, subject to a maximum of 30 percent of the value of undelivered goods. Alternatively, it will also be opened to the Director, to arrange procurement of the required goods from any other source at the risk and expenses of the bidder.

3.31 ORDER ACCEPTANCE

It is proposed kindly incorporate that the successful bidder should submit Order Acceptance within 7 days from the date of order.

3.32 PAYMENT TERMS

For Indigenous supplies payment will be made within 30 days from the date of supply, installation and commissioning. For Imported goods, the preferred payment mode of the Institute is Sight Draft / Net 30 days. If Letter of Credit is insisted by the vendors, the LC will be established for 100% of Purchase Order value out of which 90% will be paid against Proforma Invoice with shipping evidence and 10% after installation and commissioning and on submission of Performance Bank Guarantee for 10% of Purchase Order value which should be valid during warranty period. However, the advance payment to the vendors is not encouraged.

8.)	GST Registration Certificate	Relevant document should be included with the bid	Yes / No / NA
9.)	PAN Card	Relevant document should be included with the bid	Yes / No / NA
10.)	NSIC / MSME Certificate	Relevant document should be included with the bid	Yes / No / NA
11.)	Any Other:	NA	Yes / No / NA

Bidders are requested to carefully go through the eligibility criteria. It will be the responsibility of the bidders to ensure that all required documents, data, information, undertaking, certificates etc. are provided as per the bid document. Bids which fail to include the required documents, data and information, as mentioned in the bid document, may be declared non-responsive and rejected.

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

Annexure 11

Checklist for Compliance on Technical specification

CI Na	(To be printed on Bidder's letterhead with Reference No. & Date with ink signature.)	Culoma !44 a al
SI. No. 1.	Detailed Technical Specifications General system specifications and optics (i) Bench top design, true simultaneous and background correction which should include simultaneous measurements of all analyte wavelengths, internal standard and background ICP-OES system using solid-state detector technology, polychromator based optical system, and dual view spectrometer (axial and radial).	Submitted Yes / No
	(ii) The Instrument must have an Echelle based polychromator that utilizes Charge Injection Device detector (CID) or Charged Coupled Device Detector (CCD) or SCD. The entire optical system must be closed in a purged and thermo stated optical enclosure.	
	(iii) The instrument must be able to perform determinations across the entire spectrum, both UV and Visible 167- 850 nm or wider. The resolution of the system must be 0.006 nm or better at around 200 nm. The instrument shall get stabilized in less than 15 minutes from cold start (switch-off mode) and ready for analysis.	
	(iv) Simultaneous echelle type grating & 265 mm effective focal length or better. The Echelle Grating should be with ruling density and should be more than 76 lines/mm or better.	
	(v) The vertical/horizontal torch mounting should ensure high-matrix robustness, which can be enhanced with the sheath gas accessory, enabling the analysis of the most challenging samples.	
	(vi) Minimum integration time: 5 seconds or lesser.	
	(vii) RF Generator must be solid state Free Running with 40/27 MHz frequency with fast impedance matching for various matrices.	
	(viii) The power output stability within 750-1600 Watts in 1-watt increments or better, adjustable and fully computer controlled for Radial, Axial and Dual view analysis. System should be capable of doing Radial, Axial and Dual view mode analysis in single run. System should analyze all the elements in a sample simultaneously. The power efficiency should be greater than 80% with <0.1% variation in output power stability.	
	(ix) Viewing of the plasma must be computer controlled. Plasma ignition and switch off shall be totally automatic and PC controlled. The system should have option of selecting any wavelength in any mode (axial/radial or both) as per user's discretion.	
	(x) Vertical/horizontal torch design for analysis of most difficult, high-matrix samples without dilution.	
	(xi) Shear gas or similar approach for removal of cool Tail Plasma.	
	(xii) The Torch Assembly shall be demountable type with Alumina Injector or equivalent for corrosion resistance properties towards all acids.	
	(xiii) Nebulizer shall be as cross flow design with Ryton Spray Chamber or equivalent for corrosion resistance during aqueous applications.	
	(xiv) Provisions for all Safety interlocks for water flow, Argon pressure, shear gas flow, Plasma door, Plasma stability, etc. should be present as built-in.	
	 (xv) Peristaltic Pump: Integrated four-channel, computer-controlled pump with variable speeds from 0.2 to 7 mL/min or better in 0.1 mL/min increments or better. (xvi) Chiller (from renowned manufacturer) for RF Generator shall be supplied along with basic system. 	
	(xvii) Automated Hydride generation accessory must be quoted.	
	(xviii) Autosampler with min 200 sample capacity should be quoted.	
	(xix) Sample introduction kits: 01 kit each for (a) aqueous sample (b) high solids sample (c) semi-volatile organic sample (d) volatile organic sample (e) HF resistant sample.	
	(xx) Standards for Ag, Al, B, Ba, Bi, Ca, Cd, Co, Cr, Cu, Fe, Ga, In, K, Li, Mg, Mn, Na, Ni, Pb, Sr, Tl,	

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

	Zn, Hg, As, Mo, Se, P, S, Sn, V (aqueous and organic both) should be quoted.	
2.	 (xxi) Micropipettes for sampling a wide range of sample volumes (1-100 μL) must be quoted. Argon gas-flow control (i) There should be three independent gas flow control for Plasma, Auxiliary, and Nebulizer using system software. The TOTAL Argon gas flow consumption to operate ICP-OES instrument must be less than 15 L/min or better (including plasma, auxiliary and nebulizer). Argon gas flow must be operated via Mass Flow Controllers only. 	Yes / No
	(ii) Nebulizer argon gas flow should be variable between 0 and 1.5 L/min in 0.01 L/min increments using built in Mass Flow Controller/s or better.	
	(iii) ICP-OES instrument should have capability to view/measure Plasma Radially, Axially and both in single method.	
l.	Softwares (i) The software should be based on Industry Standard MS-Windows Environment (Windows 7 or higher).	Yes / No
	(ii) The software shall be multi-tasking and multi-user and shall have the capability to report, analytical results, spectra on CRT and perform other functions.	
	(iii) All standard conditions of various elements shall be built-in and one can select these conditions by entering elements involved.	
	(iv) All the results and spectra should be stored on to the Hard Disk.	
	(v) Various modes of analysis like Method, Element, Analyses Format, Text, Data Reprocessing, Report, Spectrum, Results, Analyst, Optimize, etc. to be built-in.	
	(vi) Measurements shall be made both in radial & axial directions for all the elements.	
	Indigenous Items & Warranty (i) Suitable branded PC and branded LaserJet color Printer must be provided with the instrument. PC features should be: Monitor: 21 inches TFT, 16 GB RAM or better, 500 GB SSD storage, 1 TB Hard Disk, SATA (7200 rpm), Intel Core i7 processor (9th Generation). Mouse, Bluetooth, WLAN card, USB and DVD ports, 1 GB dedicated graphics.	Yes / No
	(ii) Exhaust Hood (1 no) of proportional dimension should be quoted.	
	(iii) UHP grade Argon gas cylinder (5 nos.) with double stage SS regulator (1 no), Nitrogen gas cylinder (4 nos.) with regulator (1 no each), and Oxygen cylinder (1 No.) with regulator. The purity of Argon gas should be 99.995% or better. For other gases the purity should be at least 99.99%.	
	(iv) 15 KVA online UPS with 30 min back-up must be quoted.	
j.	Other clauses Warranty: Minimum 5 years warranty should be quoted on instruments and indigenous items like PC, Printer & UPS. Annual calibration for ≥3 years.	Yes / No
	(i) Vendor should be an authorized provider of sophisticated ICP-OES systems for past 5 years or more in India with a proven track record of the system in National and International level.	
	(ii) The software must come with system suitability facility for method validation, system performance, reproducibility, tracking and plotting trends and Processing and reporting. Custom field / Custom calculations must be present.	
	(iii) Pre-made templates, customizable data reports, online help and answer wizards must be included to help maximize lab's productivity.	
	(iv) There instrument must be modular towards hardware to software and software to hardware for possible future upgradation deemed necessary for emerging applications.	
	(v) It should be upgradable for automated method development Software.	
	(vi) The Quoted Model must be upgradable/attached with different detectors in future without any upgradation on the rest of the system and software. The Vendors must declare in their Bid.	
	(vii) Necessary reagents along with documents must be provided for valid Instrument Qualification, Operational & Performance Qualification of the instrument along with Specification check during the installation.	

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

(viii) A comprehensive list of users for similar models should be provided for previous 5 years from reputed Government of India organizations (Academia and R&D).

- (ix) Compatible with power requirements: 100 to 240 V AC with Line frequency 50 to 60 Hz.
- (x) All operating and safety manuals must be provided in English.
- (xi) Demonstration and Tutorial videos should be provided for different trials as ready reference.
- (xii) If the vendor is not an OEM, authorization certificate from the OEM should be provided. In that case, the vendor should have the dealing experience with the same OEM at least for six years.
- (xiii) Standard quality certifications such as ISO 9001 etc., should be complied.
- (xiv) More than Ten installations of similar or higher systems in India in past five years. Installation certificate and PO must be given.
- (xv) Five years or more service experience of same OEM, documents of at least five AMC/service should be provided.
- (xvi) The vendor must provide a compliance sheet with the technical specification and supporting documents.
- (xvii) Onsite-training: Basic Training for complete system free of cost post-installation and 6 months later based on the problem arises during operation.

Installation: Installation of the instrument will be conducted by OEM/Supplier

Application training: After completion of installation, demonstration and hands on training by service engineer, there should be application training for two days at NIT Rourkela by application specialist of the company.

Delivery: Up to Dept. of Chemical Engineering, NIT Rourkela. Valid DSIR registration certificate will be provided by institute.

SAMPLE PREPARATION AUXILIARIES

1. Microwave Digestion System

For acid digestion of general sample types viz. water, waste water, industry materials, fruits and vegetables, etc. and difficult to digest samples. The system must be well equipped to handle difficult materials like ores, coals, minerals, alloys, high end ceramics, crude oil, refractories, etc. for further analysis using ICP-OES.

The system must have the following features.

- (i) Microwave Power: Must have installed power of 2000 watts or more and power output of 1700 Watts or more with a single magnetron.
- (ii) Cavity volume: 1 Liter or less for highest field density. Cavity must be made of stainless steel with polystyrene housing material for resistance from acid fumes.
- (iii) Operation: The system must be equipped with a pressurized digestion cavity that can be prepressurized with N_2 or Ar from 30 to 70 bar or higher to prevent sample foaming or loss of volatile elements.
- (iv) System must be equipped with a temperature sensor inside of the cavity and protected with PTFE liner from corrosive acids and fumes. The system must be simultaneously able to control temperature of all vessels.
- (v) The system must be equipped with a built-in chiller with circulator for fast cooling of samples after completion of digestion run. External cooling devices like bulky water baths/chillers not acceptable for lower cost of operation and maintenance.
- (vi) System must have built-in control and touchscreen graphic display for all routine operations. External controls are not acceptable due to extra bench space required and possibility of damage to the controller during operation as the instrument will be installed in a wet chemistry lab.
- (vii) The system must have a possibility of automatically lifting the liner after completion of a digestion run. User need not manually remove the liner to prevent any possibility of chemical hazards in presence of hot acid fumes.

Yes / No

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

(viii) The liner must be supplied along with a lid for protection of the users during handling and movement of the samples from fume hood to the instrument.

- (ix) The system must have a built-in memory of at least 1 GB or more. No external flash card would be acceptable due to risk of possible data loss. It must also be possible to directly export the data to an external storage device via USB ports in .PDF, .XLS, .CSV or. RAW formats. Must have possibility to store, modify and recall custom programs for process runs. System must have facility to send automated Email notifications after completion of digestion run or in an event of any error/s. System must have automated audio notifications at the end of an experiment and also, visual notifications via smart light. System must be controllable via a remote PC, Tablet PC, Laptop or even a Smart Phone via VNC.
- (xi) For highest safety to the users, the instrument must have a built-in microwave trap. This is an essential safety requirement as microwave irradiation can be very dangerous to human blood and tissues.
- (xii) Maximum Temperature: Upto 300 °C or more Maximum: Pressure: Upto 199 bar or more
- (xiii) The system must be able to be upgraded with an in-built magnetic stirrer device for floating samples. System must have automatic pressurization and de-pressurization of the cavity with N₂. For highest user safety, manual pressurization / de-pressurization is not acceptable.
- (xiv) It must be possible to process 18 samples or more in a single run with vial volume of 18 mL or more.
- (xv) It must be possible to directly transfer sample weight from a balance.

High performance Rack with vials (01 no)

All available racks must have numbering at the bottom for easy identification of the samples post a digestion run. Vials must not require any tools or cap / seal screwing for ease of operation.

- System must be supplied with a rack of minimum 18 positions or higher.
- Vials material: Borosilicate Glass, Quartz and TFM Vials must be supplied (18 nos. each or more) along with Plug on caps (48 pcs) for each vial type.
- Vials volume: 18 mL or aboveFilling Volume: 10 mL or aboveSample Weight: Upto 1 gm

Additional accessories and requirements

All required accessories and spares for trouble free installation of the system including N_2 cylinder must be provided by the vendor along with the instrument. Vendor must have a team of trained application support engineers and application cum training labs in India and should provide training to the research scholars of the institute to our satisfaction, free of cost.

Warranty: Minimum 5 years warranty should be quoted for the microwave digestor.

(ii) The power output capacity of the generator should be 750 Watt or above.

Yes / No 2. Weighing balance The system must have the following features: (i) Maximum Capacity: 220 g; Readability: 0.1 mg; Repeatability: 0.1 mg Repeatability, typical: 0.08 mg; Minimum weight (USP, tolerance = 0.10%): 160 mg; Minimum weight (tolerance = 1%): 16 mg; Linearity deviation: ±0.2 mg (ii) Settling Time: 2 S; Pan size: Ø 90 mm; Display: Backlit LCD (iii) Calibration: Internal calibration; Temperature accuracy (±):3 ppm/°C (iv) Sensitivity offset (at nominal load): 0.8 mg (v) High Quality Weighing Cell: Electromagnetic Force Compensation (EMFC) weighing cell (vi) Convenient Levelling: Front level indicator (vii) Secondary display option: Available (viii) Hook for weighing below the balance: Available (ix) Housing: Die-cast aluminum, ABS, Stainless steel platform and pan, Overload protection. (x) Connectivity: RS232 Interface, Bluetooth option, Built-in PC direct function for easy data transfer. (xi) Application: 10 integrated applications, including density determination, check weighing, totaling and formulation. Warranty: Minimum 5 years. 3. Yes / No **Probe sonicator** The system would be necessary to prepare specific samples for ICP-OES analysis. The system must have the following features: (i) Microprocessor based programmable processor unit for digital accuracy and repeatability. Minimum 10 programs storage capability in internal memory to save time for similar operations used later. Timer functions should be available to control the processing time from 30 second to 10 hours or more.

THE REPORT OF THE PARTY OF THE

NATIONAL INSTITUTE OF TECHNOLOGY ROURKELA

[An Institute of National Importance under Ministry of Education, Govt. of India] Sector 1, Rourkela, Sundargarh Dist., Odisha 769 008

- (iii) The processor should continuously monitor the amount of energy in Joules (watts x seconds) is being delivered to the probe as per the set point, and terminates the ultrasonic when reaches to the set point.
- (iv) Digital display of the actual amount of power in watts that is being delivered to the probe on LCD screen at least with alphanumeric display.
- (v) Operating at a constant frequency of 20 kHz. Provision to control the probe intensity with variable amplitude control (1-100%). User controllable on/off pulsar from ~ 1 to 59 seconds. Piezoelectric based sealed converter with required converter cable and stand.
- (vi) Automatic Amplitude Compensation for uniform probe amplitude under varying loading conditions.
- (vii) Elapsed Time Indicator for monitoring the elapsed time and the duration of processing.
- (viii) Automatic tuning and frequency control to eliminate the need for constant adjustment of the power supply.
- (ix) Working volume less than 1 mL to 1000 mL.
- (x) Integrated temperature controller with a Stainless-steel temperature sensor to monitor and maintain sample temperature up to 100 °C.
- (xi) Power supply: 230-250 V AC, 50 Hz; Provision for overload protection circuit.
- (xii) Sound abating enclosure should have the capability to reduce the sound by 30-35 db and Laboratory Jack for adjusting the sample height.
- (xiii) Warranty: Minimum 5 years. Certificates: ISO 9001 and CE. User list in Institutions of repute in India for last 5 years.
- (xiv) Additional Probes: 3 mm tapered microtip with ultrahigh amplitude (\sim 160 μ), 13 mm (solid and threaded) high amplitude (\sim 114 μ), 25 mm (solid and threaded) low amplitude (\sim 35 μ). Any other suitable probes and accessories may be quoted.

The vendors must provide a compliance sheet with the technical specification and supporting documents.

~END OF DOCUMENT~
