

# Message from Director

I am delighted that the **XXII Convocation of the National Institute of Technology Rourkela** will be held on **20th June 2025**, to confer degrees upon the graduating students of the **Class of 2024**. This momentous occasion marks the culmination of years of dedication, perseverance, and intellectual growth, and I extend my heartfelt congratulations to all graduating students and their proud families.

NIT Rourkela, with its distinguished history, exceptional faculty, and world-class infrastructure, has stood as a beacon of academic excellence and innovation. Over the years, the Institute has nurtured you not only in technical and professional competence but also in character and integrity. You now stand at the threshold of a new journey, well-prepared to contribute meaningfully to the nation beyond the campus gates.

As you step into the next phase of your life, we look forward with great anticipation to your future accomplishments. Your success in whichever path you choose, be it in industry, entrepreneurship, academia, or public service, will bring immense pride to your parents, teachers, and to your alma mater. The Institute takes pride in your achievements and your service to the nation, to society, and to the global community.

Graduation Day is more than just a ceremonial milestone; it is a profound celebration of your academic journey and a formal recognition of your transition from student to professional. It is a time for reflection, gratitude, and aspiration. As you look back on your time at NIT Rourkela, you will undoubtedly recall the guidance of your teachers, the support of your parents, and the company of your friends and classmates-each of whom has played a vital role in shaping the person you are today.

Remember always the values instilled in you here. Let your degree not only signify your academic credentials but also reflect your commitment to excellence, ethical conduct, and lifelong learning.

On this special occasion, I extend my sincere congratulations to the graduating students of the Class of 2024 and to their families, and I also convey my best wishes for success in all your future endeavours.

Finally, I also welcome all the accompanying persons of the graduating students and the NITR community to join us in the XXII Convocation of the Institute.
