

CALL FOR PAPERS
 A National e-conference on
RECENT TRENDS IN FLUID DYNAMICS RESEARCH (RTFDR-21)
 April 2-4, 2021

<https://sites.google.com/view/rtfdr21/home>

Department of Chemical Engineering
National Institute of Technology Rourkela

TOPICS OF INTEREST

- Fluid Mechanics and Applications
- Microfluidics and Nanofluidics
- Numerical Methods for Multiphase Flows
- Cavitation
- Combustion
- Fluid-Particle Interactions in Turbulence
- Biological Flows
- CFD
- Experimental Fluid mechanics
- Convection heat transfer
- Numerical heat transfer
- Fluid power
- Experimental heat transfer
- Non-Newtonian rheology
- Boundary layer theory

A National e-Conference on **Recent Trends in Fluid Dynamics Research (RTFDR-21)** organized by Fluid dynamics and heat transfer research groups of **Department of Chemical Engineering, National Institute of Technology Rourkela**, aims to bring together leading academic scientists, researchers, and research scholars to exchange and share their experiences and research results on all aspects of Fluid Engineering. It also provides a premier interdisciplinary platform for researchers, practitioners, and educators to present and discuss the most recent innovations, trends, concerns, practical challenges encountered as well as solution methods adopted in the fields of Fluid dynamics.

Prospective authors are kindly encouraged to contribute to the conference through submissions of their research abstracts and papers. Also, high-quality research contributions describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in following areas of fluid dynamics are cordially invited for presentation at the conference.

Authors of selected papers presented at the conference will also be invited for publication in **Special Issue of Indian Chemical Engineer Journal or Springer conference e-proceedings.**

THE PAPERS WILL BE ENTERTAINED IN THE FOLLOWING TWO CATEGORIES

CATEGORY-I	CATEGORY-II
<p>ONLY ABSTRACTS are required to be submitted.</p> <p>Registration FEE: INR 500/- for ALL</p>	<p>BOTH ABSTRACTS and FULL PAPERS are required to be submitted. Papers under these categories shall be published in special issue of Indian Chemical Engineer journal or springer conference e-proceeding.</p> <p>Registration FEE:</p>
	<p>Students/Faculties/Scientists: INR 1000</p>
	<p>Industry Fellow: INR 2000</p>

Proceeding in Process

General Queries:

Dr. Krunal M. Gangawane (Convener, Assistant Professor, NIT Rourkela)
 Dr. Akhilesh K. Sahu (Convener, Assistant Professor, NIT Rourkela)
 Dr. Hara Mohan Jena (Convener, Assistant Professor, NIT Rourkela)
 Dr. Basudeb Munshi (Convener, Associate Professor, NIT Rourkela)
