

IPDIMS'22, 25-26 November 2022, NIT Rourkela

4th Innovative Product Design and Intelligent Manufacturing systems: Hybrid Mode Conference (IPDIMS 2022)

25-26 November 2022

Organized by
Department of Industrial Design & National Institute of Technology, Rourkela Odisha, India

Patron : Prof. K. Umamaheshwar Rao, Director, NIT Rourkela
Program Chair: Prof. B B Biswal, Director, NIT Meghalaya
Convener : Prof. B B V L Deepak, NIT Rourkela
Chairman : Prof. D R K Parhi, NIT Rourkela

About Host

Department of Industrial Design at National Institute of Technology Rourkela was established in 2010 to flourish in the emerging areas of design fields. Research areas in the Department are directed towards the creation and development of concepts, designs, and specifications that optimize the value, function, convenience, safety, utility, and appearance of manufactured products and systems.

Call for Papers

This conference confines with eight tropical tracks, which are well balanced in content and created an adequate discussion space for recent inventions. IPDIMS hosts following research tracks:

- Track-I* : Design in Aesthetics, Ergonomics, CAD and UX/UI;
- Track-ii* : Design for cost and sustainability
- Track-iii* : Design for creativity and optimization
- Track-iv* : Smart manufacturing, Precision Engineering and Metrology
- Track-v* : Artificial Intelligence in manufacturing processes
- Track-vi* : Optimization and simulation
- Track-vii* : Virtual manufacturing
- Track-viii* : Robotics and Automation, Mechatronics
- Track-ix* : Materials Section for Product Design

Proceedings Publication

Selected papers will be published in *Scopus indexed Springer Book Series / Elsevier Materials Today Proceedings. (to be updated soon in the conference website)*

Important Dates

- Full Length Paper Submission : 15-09-2022
- Notification to Authors : 15-10-2022
- Revision submission by Authors : 10-11-2022
