Sub: - Opinion regarding correctness of recording of minutes of the 16th BOG meeting, NIT, Rourkela held on 24.04.2008 at New Delhi.

Dear Sir,

My response pertaining to the subject indicated above, point wise, is recorded below for your ready perusal and necessary actions.

BOG-16(2008)-2 It is only pertinent that the deleted paragraph as a consequence of incorrect recordings, be replaced by the decision actually taken in the 15th BOG Meeting which should be read as "It was decided that internal candidates would be given an edge over the external candidates if they are found suitable otherwise".

This correction should be incorporated in the Minutes of the 15th BOG Meeting in Clause No. BOG-15(2008)-22. (the clause under reference is BOG-15(2008)-22 and not BOG-15(2007)-22 as recorded in the draft Minutes.)

BOG-16(2008)-6

1. The issue of deferring the proposal was not discussed. It was rather decided to form a committee to look into the matter taking inputs from the beneficiaries.

2. Inclusion of the actual decision taken in the 15th BOG meeting in the concerned clause of the concerned minutes as pointed out under Clause No. BOG-16(2008)-2 above, should be taken into account while drawing the minutes pertaining to Clause No. BOG-16(2008)-6.

3. At no stage the Director was advised to submit any proposal concerning recruitment / promotion of internal candidates. In fact some members opined that preference to the internal candidates in recruitment / promotion should follow automatically. Some members also remarked that the internal candidates should be allowed to grow to an extent they can and made to shoulder greater responsibilities in the NIT system, not withstanding the fact that some people believe that NITs are inherently different from the erstwhile RECs.

BOG-16(2008)-9 Clause No. BOG-15(2008)-22 dated 11.01.2008 should be amended to include the actual decision of the BOG after deletion of the paragraph as pointed out in BOG-16(2008)-2 above. The process for recruitment of 7(seven) essential Technical posts can be initiated in line with the amended clause.

No discussion took place concerning any report submitted by the committee of Directors. It was, however, squarely decided by the BOG that a Committee may be constituted which will take inputs from various categories of beneficiaries, prepare its report based on these inputs, and finally put it up to the Government after ratification by the BOG.

BOG-16(2008)-20 As far as I remember the BOG recommended an amount (probably Rs. 50,000 /-) ,as a soft loan to the freshly recruited faculty to assist him/her re-locate.

Thanking you,
Yours sincerely,

The Board of Governors, N.I.T., Rourkela vide resolution No.BOG-16(2008)-9 dt.24.4.2008 has approved in principle for enhancement of faculty and non-faculty staff strength conforming to the following:

- 1) Student to faculty ratio of 12 : 1,
- 2) Faculty to Non-faculty staff ratio of 1 : 1.1

The present student strength and future growth plan of the Institution is given in Annexure-I. The following tables depict the creation of new posts, existing posts and the final staff structure as given below:

- a) Table - 1 --- Creation of Posts -- (Annexure -- II)
- b) Table - 2 --- Existing Posts -- (Annexure - III)
- c) Table - 3 --- Final Staff Structure -- (Annexure -- IV)
- d) Table -- 4 - Student and Staff Growth Plan (Annexure -- I)

The student strength has been calculated considering the increase in student's strength due to OBC quota and growth of new departments as approved by MHRD. The qualifications, experience and recruitment procedure will be followed as per recruitment rules. As given in table-2, there is a acute shortage of Officers and Technical staff, while there is a surplus in supporting Group-D staff. To overcome this problem, the Institute will take the following steps in a phased manner.

- 1) To fill up the essential and critical posts for officers and technical staff.
- 2) Redeployment of Group-D staff.
- 3) Outsourcing of Guest House, Security, Lawns & Garden and other services.

The Institute is facing difficulties for recruitment and retaining officers in the absence of sanctioned posts in appropriate grades. The officers recruited by NIT., Rourkela at the highest standards are leaving the Institute for better scales elsewhere. As a result, work is suffering and the progress is seriously affected.

I would therefore request you to kindly approve the above posts and permit us to fill up the essential critical posts for officers and technical staff immediately.

Yours sincerely,

(Sunil Kr Sarangi)
