

About NIT Rourkela

NIT Rourkela is one of the premier national-level institutions for technical education in the country and is funded by the Government of India. The Government of India has elevated the Regional Engineering College, Rourkela, to a deemed university under the name of National Institute of Technology, Rourkela.

Computer Science and Engineering

Computer Science is the systematic study of the theoretical foundations of information and computation and of practical techniques for their implementation and application in computer systems. Computer scientists invent algorithmic processes that create, describe, and transform information and formulate suitable abstractions to model complex systems. The study is devoted to theoretical foundations of computation and practical techniques for their implementation in computer systems.

ROTARY CLUB OF ROURKELA STEEL CITY

Rotary is dedicated to creating a better world, to sustain it, and it manifests in altruism, promoting peace and harmony. Rotary club of Rourkela Steel City has been undertaking focused activities in supporting quality education through the TEACH project, wherein the education system rotary is working for teachers' training, e-education, adult literacy, counselling and happy school.

COURSE OBJECTIVES

To upskill the school teachers by equipping them with the modern tools of Computers to enhance their current curriculum. To teach school teachers to use software's like Microsoft Word to draft ideas, Microsoft PowerPoint to enhance their classroom teaching and Microsoft Excel to manage and track the progress of their students.
