

Notice

Department of Mechanical Engineering is going to organize one-day National level interdisciplinary workshop on 'Developments in Dynamic and Numerical Modeling of Production Processes' on 9th September 2017 Saturday at Mechanical Engineering Seminar Hall. There will be invited lectures by outside faculty members along with several paper presentation sessions from various people. In this regard, all the interested students including Ph.D. scholars, M.Techs as well as B.Techs are suggested to attend the event and clarify various issues with eminent people. Also, if you are interested to present any work on the workshop themes, please send your brief abstract to the following email. Detailed brochure is enclosed for reference. All participants will be given folder materials (upon production of your ICard) along with participation certificate at the end of day.

Best wishes
